

BEER PERMIT APPLICATION INSTRUCTIONS

PLEASE READ CAREFULLY. LAST UPDATED DECEMBER 13, 2021.

Beer Ordinances and Statutes

Read the City of Oak Ridge beer ordinances. A copy is available on the City's website or you can ask for a copy from the City Clerk's office. Additionally, familiarize yourself with the State of Tennessee laws related to the sale of beer.

Beer Permit Application

The primary applicant (an owner of the establishment) must complete the application in full and sign the application in the presence of a notary. Do not leave any questions blank. If a question does not apply to you, please write or type in "N/A."

Fees

Permanent beer permit applications (Classes A-D, F) have a \$250.00 non-refundable application fee (per permit) sought. Special event beer permit applications (Class E) have a \$25.00 non-refundable application fee. Application fees are due at the time of submittal of the application or the application will not be processed. Application fees must be payable to the City of Oak Ridge and should be in the form of a check or money order. You may take payment directly to the Utility Business Office located in the Municipal Building at 200 S. Tulane Ave. Attach your receipt to the application. Applications will not be accepted without proof of payment. You may also mail your application and payment to: City of Oak Ridge, Attn: City Clerk, P.O. Box 1, Oak Ridge, TN 37831.

Manager Application

At least one manager application must be completed for each establishment seeking a beer permit. Manager applications must be signed in the presence of a notary. At this time, there is no application fee for the manager application. New beer permit applications will not be processed without a companion manager application. In the event a manager is no longer employed at the establishment, a new manager application must be submitted within fifteen (15) days of the prior-approved manager leaving.

Records (Background) Check

A current (conducted within the last thirty (30) days), completed background check must accompany all applications in order for the application to be processed and scheduled for a Beer Board meeting. The background check must be completed by the state bureau of investigations in which the person resides. Example: Tennessee residents must have a Tennessee Bureau of Investigations (TBI) report). Tennessee background checks can be obtained online. Each listed manager and each owner (an owner is a person owning at least 5% of the business) must be provided.

Submittal of Applications

Applications must be submitted to the City Clerk's office for processing. Applications must be turned in at least fifteen (15) calendar days prior to the meeting date in order to meet legal notice requirements. The Beer Board usually meets on the first Wednesday of each month at 5:15 p.m. in the Municipal Building Training Room. The Board's meeting calendar is posted online.

Life Safety Inspection

The applicant's establishment must pass City inspections, commonly referred to by the City as the Life Safety Inspection, prior to issuance of a permanent beer permit. Please contact the Code Enforcement Division at (865) 425-3532 and the Fire Department at (865) 425-3421 to schedule inspections. The Police Department will notify both departments of your application and the need for the Life Safety Inspection; however, it is your responsibility to ensure the inspections take place. Beer permits will not be issued unless the Life Safety Inspection is passed.

Appearance before Beer Board

Applicants must appear in person at the scheduled Beer Board meeting for consideration of the application. In the event ownership offices are located outside of the area, it is permissible for a

member of the management team to be present at the meeting rather than one owner. Members of the management team must be able to address and respond to the Beer Board's questions and concerns. Translators are not on standby for Beer Board meetings. Please make prior arrangements for a translator to be present at the meeting if you need one, or inform the City Manager's Office at the time of application submission.

If you miss your scheduled Beer Board meeting, the Beer Board will typically postpone your application to the next available meeting. However, failure to attend can result in the Beer Board denying the beer permit application. If you cannot attend the meeting, please notify the Police Department in advance.

Citizenship

Effective July 1, 2015, and in accordance with Tennessee Code Annotated §57-5-103(a)(10), all beer permit applicants must be U.S. citizens or permanent/lawful residents for at least one year immediately prior to making application for a beer permit. For compliance with this law, a new form is required to be completed of all owners holding at least a 5% ownership interest in the business. The form is a "Declaration of Citizenship or Lawful Resident" form and is part of the application packet.

Business License

The establishment must obtain a valid business license from the City of Oak Ridge in order to open for business. Please call (865) 425-3400 and ask to speak to the Tax and License Officer.

Annual Privilege Tax

An annual privilege tax of \$100.00 (per permanent beer permit) is required by State law and City Code, and is due each January. New permittees will be required to pay a prorated privilege tax when the beer permit is issued. Notices are submitted annually to the business as a reminder to pay the privilege tax by January. Failure to pay must result in suspension or revocation of the beer permit.

Hours of Sale

The hours of sale for beer are dependent upon the type of permit obtained.

Class B:	6:00 a.m. to 3:00 a.m., all days
Classes C, E*, and F:	7:00 a.m. to 3:00 a.m., Monday-Saturday
	10:00 a.m. to 3:00 a.m., Sundays

* Special events (Class E) designate hours of sale on their permit, which hours are then approved by the Beer Board and must not exceed the time periods shown above.

Questions

Please call the Board's Staff Liaison, City Clerk Beth Hickman, at (865) 425-3411 with any questions about the beer permit application process.
