INVITATION TO BID AND INSTRUCTIONS TO BIDDERS

FY2023-083

January 11, 2023

Mowing of Parks and Greenways

Invitation

The City of Oak Ridge is soliciting bids for mowing services for all City parks, greenways, and Recreation and Parks Department facilities in accordance with the attached specifications and with the terms and provisions of the attached sample contract. The City will receive bids for this project until January 26, 2023, 1:30 PM, local time. At that time, the City will publicly open all received bids in the Central Services Complex Conference Room at 100 Woodbury Lane, Oak Ridge, Tennessee 37830.

All bids must be completed and submitted on the Bid Form provided. The bid must include all options in this Invitation to Bid, unless the Bid Form provides otherwise. Bidders shall submit their bids on or before the time set for the opening of bids. Bids received after the time so set are late bids and will not be considered. The City will not accept electronic bids, late bids, unmarked envelopes, and/or incorrectly marked envelopes and will not open such bids.

Non-mandatory Pre-bid Conference

The City shall hold a pre-bid conference on January 19, 2023, 9:30 AM, local time, at the Central Services Complex, 100 Woodbury Lane, Oak Ridge, Tennessee 37830. This pre-bid conference is not mandatory and prospective bidders are not required to attend to submit a bid. Please contact Lyn Majeski at lmajeski@oakridgetn.gov if directions to the pre-bid conference are needed.

General Scope of Work

The scope of work is set forth in the attached project specifications and sample contract. This project entails the provision of mowing services for all City parks, greenways, and Recreation and Parks Department facilities in accordance with the attached specifications located throughout the City of Oak Ridge. A detailed description of the work is set forth in Attachment A, which includes a specific description of the required finished product and the materials to be used.

Discrepancies

Should a bidder find any discrepancies in, or omissions from, the bid documents, or should the bidder be in doubt as to the meaning of any term, the bidder shall at once notify Lyn Majeski at lmajeski@oakridgetn.gov and obtain an interpretation or clarification before submitting a bid. The bidder must submit such notifications, questions, or clarification requests in writing, preferably by e-mail.

Any interpretation or clarification given in accordance with this provision shall be in writing and the City shall distribute it to all known bidders. Only questions answered in writing will be binding. Oral and other interpretations or clarifications will be without legal effect. All questions must be submitted to Lyn Majeski in writing.

Prices

The bidder shall unit prices on the attached Unit Price spreadsheet as specified on Bid Form. By submitting a bid, the bidder agrees that this bid document shall be included in and made a part of the contract between the City and the successful bidder.

Discrepancies between words and figures will be resolved in favor of the words.

Withdrawal of Bids

Bidders may withdraw this bid upon written or electronic request received by the City before the time fixed for opening the bids. Such written requests must be signed by a company official on company letterhead and indicate the specific bid project and bid price to be withdrawn to verify the bidder's identity. Oral withdrawal requests made in person or by telephone shall not be honored. Withdrawal requests must be made in writing.

Rejection of Bids

The City reserves the right to reject any and all bids when such rejection is in the interest of the City of Oak Ridge; to reject the bid of a bidder who has previously failed to perform properly or complete on-time jobs of a similar nature; to reject the bid of a bidder who is not, in the opinion of the City, in a position to perform the contract, and to reject the bid of a bidder not submitted in accordance with this Invitation to Bid.

Examination of Specifications, and Sites of Work

Each bidder shall carefully examine read the specifications, all other proposed contract documents, and visit the work sites before submitting a bid. Each bidder shall fully inform itself before bidding about all existing conditions and limitations under which the work will be performed. The bidder shall include a sum to cover all costs of all items necessary to perform the work as outlined in the proposed contract documents. No allowance will be made to any bidder because of a lack of such examination or knowledge. The submission of a bid will be construed as conclusive evidence that the bidder has made such examinations.

Proof of Competency of Bidder

All bidders shall be duly licensed contractors in the State of Tennessee and shall have any required manufacturer's approval for installation of the work described in the attached project specifications and sample contract documents, as applicable. This requirement extends to all subcontractors and others herein as such licensing laws apply

References

Upon the City's request, each bidder shall furnish at least three (3) references for whom bidder performed work like that covered the attached project specifications and sample contract documents.

Equipment

The bidder shall have available under bidder's control, tools, and equipment of the type, character, and amount required to complete the proposed work within the specified time. Each bidder shall furnish a list of the tools and equipment proposed for use on the work upon request.

Method of Work

Upon request, each bidder shall describe the method or methods to be used in the performance of the required work.

Bidders Interested in More than One Bid

A party that has quoted prices to a bidder is not disqualified from quoting prices to other bidders or submitting a bid directly for the work; however, the City will not consider more than one bid for the same work from an individual or entity under the same or different name.

Insurance

The successful bidder will be required to maintain Worker's Compensation, Comprehensive General Liability, and Comprehensive Automobile Liability and Property Damage Insurance in accordance with the provisions of the contract documents. The City of Oak Ridge, Tennessee, shall be named as an additional insured in addition to a certificate holder.

Bid Surety

Each bid shall be accompanied by a bid guarantee payable to the City in the amount of ten percent (10%) of the total bid amount. The form of the bid guarantee shall be a bid bond or other suitable instrument (i.e., cashier's check, certified check, or letter of credit). The bid guarantees of unsuccessful bidders shall be returned to them by the City within fifteen (15) consecutive calendar days after executing a contract.

Completion and Performance Bond

Upon a successful bid and contract award, bidder agrees to furnish a Completion and Performance Bond in the amount of one hundred percent (100%) of the contract price with good and sufficient surety or sureties acceptable to the City in connection with the performance of the work under the contract. The form and conditions of said Completion and Performance Bond shall be as prescribed by the City.

City Officers and Employees Not to Have Financial Interest

The City shall not execute a contract with any City officer or employee or any firm or corporation in which any City officer or employee has a financial interest.

Compliance with All Laws, Ordinances, Statutes, and Regulations

Contractor shall comply with all federal, state, county, and local laws, ordinances, statutes, and regulations. Pursuant to City Code § 5-413, the City may not accept bids from bidders in default of any payment due to the City, including, but not limited to, taxes, licenses, and fees.

Tobacco Products

The selected bidder and its employees/subcontractors shall comply with all building policies, regulations, schedules, and rules as set out and required by the City. Please note that smoking (including e-cigarettes and vapes) and the use of tobacco products (chewing, smokeless tobacco, or smokeless tobacco analogues) is prohibited in City parks and facilities. For any work done at City facilities, any smoking occurring outside of the buildings must occur at least fifty (50) feet away from any entrance, open window, or other opening into which smoke could infiltrate the building. Spent smoking materials must be properly discarded and not littered on the grounds. Blankenship Field is a City park and school facility; pursuant to Tennessee Code Annotated § 39-17-1604, tobacco use in any form (including, but not limited to, e-cigarettes, vapes, smokeless tobacco, and smokeless tobacco analogues) is strictly prohibited.

Anti-Discrimination

In performing the work or furnishing the services covered by this project, the selected bidder shall not discriminate against any person because of race, creed, color, national origin, age, sex, sexual orientation, gender identity, disability, religion, or other legally protected status. The City of Oak Ridge encourages utilizing minority and women-owned businesses in its contracting and subcontracting projects.

Competency of Workers / Background Checks

The selected bidder shall only furnish employees who are competent and skilled for work under this bid. In the opinion of the City, if an employee of the selected contractor is incompetent or disorderly, refuses to

perform in accordance with the terms and conditions of the contract, threatens or uses abusive language while on City property, or is otherwise unsatisfactory, that employee shall be removed from all work under this contract. The selected contractor's employees working on this project may be subject to police background checks at the City's sole discretion before the work's commencement.

Iran Divestment Act

Tennessee Code Annotated § 12-12-101, *et. seq.*, requires all bidders to certify their compliance with the Iran Divestment Act. By signing and submitting the attached Bid Form, bidders hereby certify such compliance.

Award of Contract

The City will make the award as soon as practicable to the lowest responsible bidder, price, and other factors considered, provided it is reasonable and in the City's best interest. The City reserves the right to award the contract to more than one bidder if in the City's best interest. The successful bidder(s) shall be required to execute the attached contract. The City anticipates submitting this contract for approval by the City Council (governing body) on February 13, 2023.

Timeframe for Completion

Time is of the essence for this Contract. Work shall not commence until the City issues a Notice to Proceed. The selected bidder should anticipate starting work the week of March 15, 2023. Mowing season shall end on approximately October 31, 2023, unless the parties approve an alternate schedule in writing.

It is possible that the schedule will be adjusted to an earlier start date and an earlier completion date if the contract is awarded at a special meeting of City Council.

Liquidated Damages

Work shall be completed in such a manner as to minimize disruption to City activities to the extent possible. Damages associated with any delay in the project would be difficult to determine; therefore, this Contract will have liquidated damages in the amount of \$500.00 for each and every day of delay of the work under the Contract.

Warranty

The required warranties are set forth in the attached project specifications and sample contract documents.

Bid Submittal Instructions

Each bid must be submitted in an opaque sealed envelope marked and addressed on the outside as follows:

SAMPLE CONTRACT
Mowing of Parks and Greenways

This Contract is executed February 13, 2023, by and between the City of Oak Ridge, Tennessee, a municipal corporation, ("the City,") and, _____, ("Contractor.")

WITNESSETH

In consideration of the mutual promises of the parties hereto, the parties do hereby agree as follows:

ARTICLE 1: Scope of This Contract

The work to be done consists of furnishing all labor, materials, supplies, tools, equipment, and other incidentals necessary to perform mowing services for all City parks, greenways, and Recreation and Parks Department facilities in accordance with the attached specifications required for the Mowing of Parks and Greenways, located at throughout the City of Oak Ridge, in strict accordance with the terms and provisions of this Contract, the project specifications, and the bid of Contractor attached hereto. The City shall furnish Contractor with herbicide as needed. Contractor must request herbicide from the Operations Manager. Contractor shall be responsible for all other equipment and materials needed to perform the job.

In performance of this Contract, Contractor binds itself to the City to comply fully with all provisions, undertakings, and obligations hereinafter set forth.

ARTICLE 2: Term

This Contract shall become effective upon its execution and shall continue in full force and effect through December 31, 2023. Upon execution of this Contract, Contractor shall be prepared to begin the work on the anticipated start date of March 15, 2023, however work shall not commence until the City issues a Notice to Proceed. Work shall be conducted with the frequency listed in Attachment A. Work shall continue until October 31, 2023, unless an alternate schedule is approved by the parties in writing. This Contract shall renew automatically for one (1) one-year renewal period (January – December). Either party may elect not to renew this Contract upon written notice to the other party at least thirty (30) days prior to the then-current term's expiration. Time of is the essence for this Contract.

ARTICLE 3: Changes

- A. The City may, by written order and without notice to the Sureties, make changes in the specifications of this Contract within the general scope thereof. If any such changes cause an increase or decrease in the scope of this Contract or in the time required for its performance, the City shall make an equitable adjustment and shall modify this Contract in writing accordingly. If the City makes such adjustments, then Contractor shall have an opportunity to present an adjusted price schedule.
- B. Should Contractor encounter materially different conditions from those shown in the specifications, Contractor shall notify the City in writing immediately of such conditions before they are disturbed. The City shall promptly investigate the conditions and—if it finds that they materially differ from those specified—shall modify this Contract to provide for any increase or decrease of cost and time difference from said conditions.
- C. Except as otherwise herein provided, no charge for any extra work or material will be allotted unless the same has been approved in writing by the City, and the price stated.

ARTICLE 4: Inspections and Defective Work

All workmanship and services shall be subject to inspections, examinations, and tests by the City at all times during the performance of this Contract. The City shall have the right to reject defective workmanship and to require correction. Rejected workmanship shall be satisfactorily corrected without charge. If Contractor fails to proceed at once to correct such defective workmanship, the City may proceed with such corrective work and Contractor shall be liable for all direct costs incurred as a result of the correction.

This provision does not negate, modify, or replace any warranties contained elsewhere in this Contract. This provision shall survive the termination or suspension of this Contract.

Neither payment nor any provisions in the Contract document shall relieve Contractor of responsibility for faulty materials or defective workmanship. The City shall give notice of observed defects with reasonable promptness. The deterioration due to ordinary use and normal wear is excepted from this guarantee.

Contractor shall reimburse the City for the cost of damage, if any, as well as the cost of replacing defective materials or workmanship. If replacements are not made within ten (10) days after the City gives notice of such defect in workmanship, or thirty (30) days in case of materials, then the City shall have the right to make replacements and charge the cost of same to Contractor or Contractor's surety. Defective workmanship shall be grounds for termination of the Contract in accordance with Article 19.

ARTICLE 5: Site Investigation

Contractor represents that it has visited the site and determined the nature of the work and the difficulties and facilities attending the execution of the work, and all other matters, which can in any way affect the work under this Contract.

ARTICLE 6: Delays, Damages

If Contractor refuses or fails to prosecute the work with such diligence as will ensure its completion within the time specified in Article 2, or fails to complete the work within such time, the City may terminate this Contract. In such event, the City may take over the work and prosecute the same to completion by contract or otherwise. Contractor shall be liable to the City for any excess cost occasioned thereby. If the City terminates this Contract under this Article, the City may take possession of and utilize all materials, appliances, tools, and equipment as may be on the work site necessary to complete the work.

ARTICLE 7: Payment

As consideration for performing all work and services set forth in this Contract, and as full consideration thereof, the City agrees to pay Contractor \$_____ in accordance with Contractor's bid sheet, which is incorporated by reference into this Contract. Payment shall be made in accordance with the Specifications. The compensation provided for herein is the entire compensation to be provided. Any work or fees beyond the scope of the attached quotation shall be by written authorization by the City.

Contractor shall invoice the City monthly for actual services provided. The City shall make payment within 30 days of receipt of such invoice (NET 30).

ARTICLE 8: Rate Adjustment

For every term after the initial term, the per unit prices will be adjusted for each renewal terms by one hundred percent (100%) of the Consumer Price Index (CPI) for the month of November of the previous calendar year, which reflects the unadjusted annual percentage change from the month of November of the prior year. CPI adjustments shall go into effect January 1 of the renewal term year.

ARTICLE 9: Final Payment

Upon completion of the work covered by this Contract, and before final payment, Contractor shall furnish the City evidence that Contractor has fully paid all materials' suppliers, all labor, and all other employees who performed work pursuant to this Contract. Upon final payment, the City is to be released from all liability whatsoever growing out of this Contract.

ARTICLE 10: Designated Representatives.

The parties hereby designate the following individuals as their respective representatives pertaining to the work or services to be performed or furnished by Contractor and the responsibilities of the City under this Agreement. Such individuals have the authority to transmit instructions and receive information relative to this Agreement on behalf of the parties. The designated representatives for the parties are as follows:

City:

Contractor:

ARTICLE 11: Indemnification by Contractor

Contractor agrees to protect, indemnify, and hold harmless the City from and against all claims for injury, death, or destruction of property resulting from any act or omission on the part of Contractor, Contractor's employees, Contractor's subcontractors, anyone for whose acts Contractor is responsible, others whose services Contractor engages, or anyone directly or indirectly employed in the performance of this Contract. Contractor shall not be liable to indemnify the City for such injuries, destruction, or death caused by the City's sole negligence or fault. Contractor's duties under this article shall extend to all the City's consultants, agents, and employees. "Claims" as used in this article shall include: all direct, indirect, and consequential losses, expenses, damages, charges, and costs including, but not limited to, fees, charges, or other expenses for engineers, architects, attorneys, other professionals, or court costs.

Upon notice, Contractor shall promptly defend any action stemming from an aforementioned claim. In any and all claims against the City by any of Contractor's employees, Contractor's subcontractors, anyone for whose acts Contractor is responsible, others whose services Contractor engages, or anyone directly or indirectly employed in the performance of this Contract, Contractor's indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for Contractor or any subcontractor under the workers' compensation acts, disability benefit acts, or other employee benefit acts. The insurance limits required in this Contract shall not limit Contractor's obligations under this article.

The terms of this article shall survive the termination or suspension of this Contract.

ARTICLE 12: Completion and Performance Bond

Prior to commencing work under this Contract, Contractor agrees to furnish the City a Completion and Performance Bond of one hundred percent (100%) of the Contract price with good and sufficient surety acceptable to the City. Contractor shall maintain such bonds during the term of this Contract in connection with the performance of the work under this Contract, including any amendments or extensions hereof. The form and conditions of said Performance Bond shall be as prescribed by the City. The bond will be required at the beginning of each contract term and will be in an amount equal to the contract price for that year.

In lieu of a Performance Bond, the City will accept other suitable Securities agreed upon by both parties. At all times during the term of this Contract, Contractor shall provide the City with evidence that Contractor has obtained such Performance Bond or Securities. A certificate from the surety showing that Contractor has paid the bond premiums shall accompany the bond.

ARTICLE 13: Rate of Progress

Notwithstanding any other provisions in this Contract, Contractor shall furnish sufficient labor, materials, supplies, tools, and equipment necessary to complete performance of this Contract in accordance with the approved schedules for completion. Contractor shall work the necessary hours, including overtime, Sundays, or Holidays, to timely complete performance. Should Contractor refuse or fail to comply with its obligations under this Article after receipt of a written directive or request by the City for Contractor to furnish additional labor, materials, supplies, tools, equipment, or work additional hours, including overtime, Sundays, and/or Holidays, the City may terminate Contractor's right to proceed with the whole or any part of the work under this Contract.

ARTICLE 14: Compliance with All Laws, Ordinances, Statutes, and Regulations

Contractor shall comply with all federal, state, county, and local laws, ordinances, statutes, and regulations.

ARTICLE 15: Insurance

During the period of Contractor's performance of this Contract, Contractor shall maintain in full force and effect Comprehensive General Liability, Workers' Compensation, and Property Damage Insurance in the amounts set forth below and naming the City of Oak Ridge, Tennessee, as an additional insured.

Contractor shall maintain policies providing the following insurance protection, each with a policy containing a requirement that, in the event of change or cancellation, thirty (30) days' prior written notice be sent by mail to the City. Certificates of Insurance describing the coverage shall be furnished by Contractor and shall contain the following express obligation:

"This is to certify that the policies of insurance described herein have been issued to the insured for whom this certificate is issued and are in force at this time. In the event of cancellation or material change in a policy affecting the certificate holder, thirty (30) days' prior written notice will be given the certificate holder."

1. Comprehensive General Liability:

Bodily Injury	\$300,000	each occurrence
	\$700,000	aggregate
Property Damage	\$100,000	each occurrence
Or Combined Single Limit of	\$1,000,000	

2. Workers' Compensation and Employer's Liability as provided for in applicable statutes.

3. Comprehensive Automobile Liability (Including all owned, non-owned, and hired vehicles)

Bodily Injury	\$300,000	each person
	\$700,000	each occurrence
Property Damage	\$100,000	each occurrence
Or Combined Single Limit of	\$1,000,000	

Contractor may purchase such additional or other insurance protection at its own expense as Contractor deems necessary. Maintenance of the required minimum insurance protection does not relieve Contractor of responsibility for any losses not covered by the above-required policies.

Before commencement of work hereunder, Contractor agrees to furnish to the City of Oak Ridge (Legal Department, P.O. Box 1, Oak Ridge, Tennessee 37831-0001) a Certificate of Insurance or other evidence satisfactory to the City to the effect that such insurance has been procured and is in force.

ARTICLE 16: Permits and Licenses

Contractor shall obtain, at Contractor's expense, all permits, licenses, and bonds required by law or ordinance and maintain the same in full force and effect.

ARTICLE 17: Subcontracting and Assignment

1. Contractor may utilize the services of specialty subcontractors on those parts of the work which, under normal contracting practices, are performed by specialty subcontractors.
2. Contractor shall not award, assign, transfer or pledge any work to any subcontractor without the prior written approval of the City, which approval will not be given until Contractor submits to the city a written statement concerning the proposed award to the subcontractor, which statement shall contain such information as the City may require.
3. Contractor shall be as fully responsible to the City for the acts and omissions of subcontractors, and of persons either directly or indirectly employed by said subcontractors, as Contractor is for the acts and omissions of persons directly employed by Contractor.
4. Contractor shall make a condition of all subcontracts and/or cause appropriate provisions to be inserted in all subcontracts relative to the work to bind subcontractors to Contractor by the terms of the General Conditions and other Contract Documents insofar as applicable to the work of subcontractors and to give Contractor the same power as regards terminating any subcontract that the City may exercise over Contractor under any provision of the Contract Documents.
5. Nothing in this Contract shall create any contractual relationship between any subcontractor and the City.

ARTICLE 18: Superintendence by Contractor

Contractor shall give its personal superintendence to the work or have a competent supervisor or superintendent satisfactory to the City on the site at all times during the progress of the work, with the authority to act on behalf of Contractor.

ARTICLE 19: Termination

Notwithstanding any other provisions in this Contract, Contractor shall furnish sufficient labor, materials, supplies, tools, and equipment necessary to complete performance of this Contract in accordance with the approved schedules for completion.

Should Contractor refuse or fail to comply with its obligations, violate any of the provisions of this Contract, or if the quality or quantity of the work performed is unsatisfactory, then the City shall have the right to cancel this Contract upon five (5) days written notice to Contractor. "Unsatisfactory" work is defined as work that falls below the industries' standard of care in the sole judgment of the City. If the City terminates the Contract under this Article, it shall complete the work undertaken by Contractor without incurring any liability to Contractor except to pay Contractor the fair value to the City of the work satisfactorily performed by Contractor.

ARTICLE 20: Termination of Contract for Cause

If, through any cause, Contractor shall fail to fulfill in a timely and proper manner the obligations under this Contract, or if Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, the City shall thereupon have the right to terminate this Contract by giving written notice to Contractor of

such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by Contractor under this Contract shall, at the option of the City, become the City's property and Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.

Notwithstanding the above, Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the Contract by Contractor, and the City may withhold any payments to Contractor for the purpose of set-off until such time as the exact amount of damages due to the City from Contractor is determined.

ARTICLE 21: Anti-Discrimination

Contractor shall not discriminate against any person because of race, creed, color, national origin, age, sex, sexual orientation, gender identity, disability, religion, or other legally protected status, in performing the work or furnishing the services covered by this Contract. The City of Oak Ridge encourages utilizing minority and women-owned businesses in its contracting and subcontracting projects. Contractor is encouraged to actively solicit the participation of these businesses. Contractor shall inform its subcontractors and vendors providing work or services under this Contract of this requirement and shall ensure compliance therewith.

ARTICLE 22: Personnel

Contractor represents that it has, or will, secure at Contractor's expense, all personnel required to perform the work and services outlined in this Contract. Such personnel shall not be employees of or have any contractual relationship with the City.

The services required will be performed by Contractor or under Contractor's supervision, and all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under state and local laws to perform such services.

ARTICLE 23: Reports and Information

At such times and in such forms as the City may require, Contractor shall furnish periodic reports pertaining to the work and services covered by this Contract, the costs and obligations incurred or to be incurred in connection herewith, and any other matters covered by this Contract. The City can audit Contractor's and Contractor's subcontractors' financial records pertaining to this project.

ARTICLE 24: Liquidated Damages

The City and Contractor hereby agree that any damage amount for the delay in completing this Contract's work is unknown and would be difficult—if not impossible—to estimate. Therefore, the parties agree that Contractor shall pay to the City as liquidated damages, and not as a penalty, the amount of \$500.00 for each and every day of delay beyond the term specified for completion of the work under this Contract.

ARTICLE 25: Entire Agreement In Document.

This instrument, including all exhibits and appendices attached and incorporated by reference, embodies the whole agreement between the parties. There are no prior representations, terms, conditions, promises, agreements, oral or otherwise, between the parties other than contained in this Agreement.

ARTICLE 26: Independent Contractor

The parties acknowledge that the relationship created under this Contract is that of independent contracting parties and this Contract does not create a general agency, joint venture, partnership, employment

relationship or franchise between the parties. Neither party shall represent itself as an agent of the other, nor shall it execute any documents or make any commitments to any contractual or other obligations with third parties.

ARTICLE 27: Governing Law

This Contract is governed by the laws of the State of Tennessee. Any lawsuit between the parties arising out of this Contract shall have its venue solely within the state courts of Anderson County, Tennessee, or the Federal District Court for the Eastern District of Tennessee in Knoxville, Tennessee, as appropriate.

IN WITNESS WHEREOF, the parties hereto have executed this Contract as of the day and year first above written, the City of Oak Ridge, by its City Manager, by authority duly given.

COMPLETION AND PERFORMANCE BOND
FY2023-083

KNOW ALL MEN BY THESE PRESENTS,

That we, _____, as Principal,
and the _____, as Surety,
are held firmly bound unto the City of Oak Ridge, Tennessee, ("Obligee"), in the sum of:

_____ Dollars \$ _____

lawful money of the United States, for payment of which sum well and truly to be made, we bind ourselves, our heirs, personal representatives, successors, and assigns, jointly and severally, firmly by these presents.

WHEREAS, said Principal executed a certain Contract with Obligee dated February 13, 2023, ("the Contract") for the full and complete performance of all labor, materials, supplies, and equipment necessary to mowing services for all City parks, greenways, and Recreation and Parks Department facilities in accordance with the attached specifications, which the Contract and specifications for said work shall be deemed a part hereof as if fully set out herein.

NOW, THEREFORE, the condition of this obligation is such that, if Principal shall promptly and faithfully perform said Contract, including all the obligations thereunder, then this obligation shall be null and void, otherwise, it shall remain in full force and effect.

Whenever Principal shall be, and declared by City to be, in default under the Contract or any part thereof, the City having performed its obligation thereunder, the Surety may promptly remedy the default, or shall promptly at the City's option:

1. Complete the Contract in accordance with its terms and conditions; or,
2. Obtain a bid or bids for submission to the City for completing the Contract in accordance with the terms and conditions, and upon a determination by the City and Surety of the lowest responsible bidder, arrange for a contract between such bidder and the City and make available as work progresses (even though there shall be a default or a succession of defaults under the Contract or contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion or any obligations thereunder.

Any suit under this Bond must be instituted before the expiration of two years from the date on which final payment under the Contract falls due.

ATTACHMENT A: SPECIFICATIONS – MOWING OF PARKS AND GREENWAYS

The selected contractor will provide mowing services for the City of Oak Ridge in accordance with the attached specifications and site descriptions.

SECTION 1.0 General Specifications

- 1.1 Contractor shall ensure the safety of people, pets, and personal property in the vicinity of the mowers. Operators are responsible for ensuring that clippings are discharged safely. Mowing equipment is to have all safety guards in place. Contractor is liable for any injuries or damages resulting from mowing practices.
- 1.2 Litter, including, but not limited to, paper, cans, bottles, and other debris shall be picked up and properly disposed of before mowing. Any larger items discovered (for example, but not limited to, furniture, mattresses, or television sets) that requires more than one person to move will be picked up by the Public Works Department. Contractor shall notify the Operations Manager promptly and inform him of the issue and location.
- 1.3 Limbs will be removed from the mower's path and neatly piled next to tree trunks. City staff will remove limb piles.
- 1.4 All mowing equipment, including tractors, must be equipped with turf tires.
- 1.5 Contractor is responsible for preventing damage to turf, especially when mowing after rain. Damage by mowing equipment will be repaired by City staff at Contractor's expense (time & materials).
- 1.6 Contractor shall not discharge grass clippings into the pool, playgrounds, fence lines, shrubs, trees, flower beds, or other permanent fixtures where clippings can build up. Contractors shall operate mowers in such a manner as to discharge the clippings away from these areas.
- 1.7 All sidewalks, trails, and roadways must be cleared of clippings or debris from mowing operations immediately after each mowing.
- 1.8 Mulch rings shall be reshaped before leaving the work site when dislodged by mowing equipment.
- 1.9 All signposts, utility poles, electric transformers, buildings, fences, sidewalks, curbs, trees, and flower beds will be trimmed with a string trimmer while the location is mowed.
- 1.10 Picnic tables located on turf are to be moved by hand. Picnic tables damaged by mowers will be repaired or replaced by the City at Contractor's expense (time & materials).
- 1.11 Contractors possessing a valid Tennessee pest control charter may be permitted to use herbicide applications along fences and around signposts, utility poles, and the trunks of established trees (defined as greater than four-inch (4") DBH) in place of string trimming. Before application, Contractor must receive approval for any herbicide or pesticide and the areas where it may be applied from the Public Works Department. Spraying will be done

precisely to provide a neat, uniform strip under chain link fencing, around posts, and tree trunks. Care will be taken to prevent herbicide drift and overspray. Any landscaping (flower beds, shrubs, bushes, etc.) damaged or killed by herbicide application (intentional or inadvertent) will be replaced by the City at Contractor's expense (time & materials).

- 1.12 Extra care should be taken when operating a mower or string trimmer around trees and shrubs. Damage or death of trees and shrubs may result if the mower deck or trimmer hits plants. Contractor will be held responsible for tree and shrub damage that is the result of careless mowing and trimming practices. The City shall replace trees damaged by mowers or string trimmers at Contractor's expense (time & materials).
- 1.13 Periodically, the mowing schedule may need to be adjusted to accommodate community events, such as athletic field use and festivals. The City will provide Contractor with at least five (5) business days' notice of necessary schedule adjustments.
- 1.14 Established mowing boundaries must be maintained. Invasive plants must be kept back and not allowed to encroach into the turf area.
- 1.15 In park areas where daffodils have been planted in the turf, they are to be mowed around until they are dormant and the foliage has turned brown. Contractor will consult with Operations Manager to determine when it is appropriate to cut these areas.
- 1.16 Contractor shall use extreme care when maintaining irrigated areas, such as athletic fields and landscaped areas. Any damage to the irrigation system resulting from mowing or trimming will be reported to the City immediately. The City will repair irrigation damage by mowing at Contractor's expense (time & materials).
- 1.17 The City will provide aerial photos and other boundary maps which indicate property lines, which are to be used as reference points for establishing mowing boundaries. All roadway right-of-way adjacent to mowing sites will be included in this mowing contract. Contractor shall seek clarification about mowing boundaries from the Operations Manager. Aerial photography will be provided at the pre-bid conference and upon request.
- 1.18 The City may adjust mowing frequencies at any or all locations with no less than thirty (30) days' notice to meet budgetary and other needs. Contractor shall be allowed to present an adjusted price schedule based on such change(s).
- 1.19 Contractor will be given access to any locked facility either by lock combination or key access. Contractor will be responsible for the security of keys and lock combinations. All facilities are to be secured before Contractor leaves the site.

SECTION 2.0 Mowing Site Descriptions

Mowing Site Descriptions

2.1 A.K. BISSELL PARK – 1403 Oak Ridge Turnpike

Located within the park are the Library, Recreation Center, Senior Center, Peace Bell Pavilion, Performance Pavilion, a picnic shelter, a playground, and a walking trail. The Municipal Building is mowed under a separate contract. Refer to the available aerial photo for illustration of the boundaries. Mowing and trimming along the creek banks, down to the water's edge, is required. Mowing of the park also includes the parcel located at 205 Badger Road.

2.2 BASEBALL COMPLEX – 165 Wilberforce Avenue

The complex consists of five (5) baseball/softball fields, a concession stand, various support structures, and parking. All grass areas within the baseball complex, except the Bermuda grass infields on Grey Strang and Bobby Hopkins ball fields, are to be mowed and all fences trimmed. The Bermuda grass infields to be mowed by others. Mowing begins the first week of March for the spring baseball season. The entire complex, inside and outside the ballfields, should be mowed simultaneously to maintain a consistent appearance throughout the facility.

The area within the fence for the City gas pumps and the detention pond east of the pumps, toward the Central Services Complex, are not included in this contract. Refer to the available aerial photo for illustration of the boundaries.

2.3 BIG TURTLE PARK – 2525 Oak Ridge Turnpike

The park consists of a softball field, soccer field, playground, picnic shelter, restrooms, Dog Park, open space, and parking areas. The turf within the chain link fence around the soccer field is excluded from this contract. The rest of the park, including the softball field and dog park, will be mowed simultaneously to maintain a consistent appearance throughout the facility. Trimming the fence line outside the soccer field is required in this contract.

2.4 BRIARCLIFF PARK – 50 Deerfield Lane

The park includes a playground, open space, and parking. All turf within the park is to be mowed simultaneously to maintain a consistent appearance.

2.5 CARL YEARWOOD PARK – 231 Bus Terminal Road

The park consists of a softball field, skate park, disc golf course, picnic shelter, open space, and parking. All turf will be mowed simultaneously to maintain a consistent appearance throughout the facility.

Carl Yearwood Softball Field – Mowing and trimming of the turf inside the softball field fence will begin the first week of March for spring softball leagues.

2.6 CEDAR HILL PARK – 611 Michigan Avenue

The park consists of a playground, picnic shelter, walking trail, basketball court, open space with a softball backstop, and two greenway entrances.

Trimming the curb line and fence is required at the Cedar Hill Greenway entrance on the east side of Michigan Avenue, adjacent to the park. The trailhead is located between 620 Michigan Avenue and 610 Michigan Avenue. A fire hydrant is located in this area and turf must be maintained for access.

2.7 ELM GROVE PARK – 98 Taylor Road

The park consists of a playground, a walking trail, and parking. In addition, there is pedestrian access from Tabor Road into the park and parking lot islands, all of which are to be mowed and trimmed on the same schedule as the rest of the park.

2.8 ELZA GATE PARK – 100 Oak Ridge Turnpike

A small park and trailhead for Melton Lake Greenway and the Worthington Cemetery Trail. The island in the parking lot is to be mowed and trimmed on the same schedule as the rest of the park.

2.9 EMORY VALLEY GREENWAY – Melton Lake Drive to Donner Drive

This paved greenway parallels Emory Valley Road, passing through greenbelt parcels at the east end of Emory Valley and adjacent to Cascade Lane is to be mowed every two weeks (bi-weekly).

Slightly west of Melton Lake Drive, the trail splits. The main trail runs through the greenbelt between the road and the Emory Valley embayment. A side trail parallels Emory Valley Road next to the greenbelt. The trails join together again near the west side of the greenbelt, adjacent to the sewer lift station. The main trail is to be mowed or trimmed to provide a minimum thirty-six inches (36") clear shoulder to the trail on both sides. Along the side trail; all turf is to be mowed between the trail and the greenbelt, maintaining a minimum thirty-six inches (36") clear shoulder. All turf must be mowed between the side trail and Emory Valley Road up to the lift station. Past the lift station junction, the thirty-six inches (36") shoulder on each side is to be maintained through the rest of the greenbelt.

Where the trail leaves the greenbelt to parallel Emory Valley Road, the trail sides will be mowed between Emory Valley Road and adjacent property owners.

At Briarcliff Avenue, the trail turns, entering another greenbelt after crossing Cascade Drive. The trail must be mowed or trimmed to maintain a minimum thirty-six inches (36") clear shoulder on both sides. A small parking area is located at the west end of this greenbelt. The entire turf area around the parking lot and within the parcel adjacent to the parking lot is included.

The trail then crosses S. Columbia Drive. The entire turf area within the first City-owned parcel west of S. Columbia is included in this contract. Past this point, the trail again parallels Emory Valley Road. The trail sides will be mowed between the road and the adjacent property owners up to Donner Drive.

2.10 GEORGIA AVE TRAILHEAD – Located on Georgia Avenue between 127 Georgia Avenue and 100 Gordon Road

A strip of turf approximately fifteen feet (15') wide and one-hundred ninety feet (190') long, which is an entry point to the Cedar Hill Greenway. The turf is to be mowed and the fence lines trimmed. Spraying herbicide is not permitted at this location.

2.11 GROVES PARK DISC GOLF COURSE – 900 Tuskegee Drive

Parcel 406, located on the south side of Tuskegee Drive. Mowing with a tractor and rotary mower ("bush hog") is acceptable in this area. Trimming around all disc golf baskets, signposts, and tee boxes in turf areas is required. Contractor and City staff will coordinate with park users to determine designated unmown "rough" areas of the course annually.

2.12 HAW RIDGE PARK – 100 Old Edgemoor Road.

Mowing includes the area around the Haw Ridge Park entrance sign at the intersection of Edgemoor Road and Old Edgemoor Road and continues along the roadsides to the gate

at the end of the road, adjacent to Melton Lake Greenway. Mowing with a tractor and rotary mower (“bush hog”) is acceptable in this area.

2.13 HIGHLAND VIEW PARK – 275 Highland Avenue

The park consists of a playground, shelter, open space, and parking. All turf within the park is to be mowed simultaneously to maintain a consistent appearance.

2.14 JACKSON SQUARE TENNIS COURTS – 35 Kentucky Avenue

The park consists of three fenced-in sections of courts and a parking lot. Trimming is required in and around the courts. The entire parcel around the courts, from Tennessee Avenue to Broadway Avenue, is to be mowed simultaneously to maintain a consistent appearance at the facility.

2.15 JEFFERSON SOFTBALL FIELD – 200 Fairbanks Road, south of the Jefferson Junior High School.

All turf within the fence surrounding the softball field will be mowed and trimmed beginning the first week in March for spring softball leagues. In addition, a fifteen (15) foot wide mowing strip is required adjacent to the outside of the field’s fence. Trimming is required inside and outside the chain link fence.

2.16 LASALLE PARK – 150 LaSalle Road.

The park consists of an open-space area with a softball backstop, a picnic area, a playground, a soccer field, and two parking lots. The turf within the chain-link fence surrounding the soccer field is excluded from this contract. Trimming the fence line outside the soccer field is required in this contract.

2.17 MELTON LAKE GREENWAY – Elza Gate Park to Haw Ridge Park

Melton Lake Greenway is to be mowed every two weeks (bi-weekly). The greenway begins at Elza Gate Park, continuing south along Melton Lake Drive through Melton Lake Park and onto a small parking area just north of Melton Lake Drive and Edgemoor Road. From Elza Gate Park to the trail bridge adjacent to the restaurant at 100 Melton Lake Peninsula, all turf between the road and private property owners is to be mowed. The entire turf area between the lake and Melton lake Drive is to be mowed from the trail bridge, including the steep bank adjacent to Rolling Links Boulevard. From Amanda Drive to the Rowing Course Finish Line Tower, the greenway is to be mowed at the same time as Melton Lake Park (weekly).

From the small parking lot north of Edgemoor Road, the greenway continues south, crossing a wooden boardwalk through a wetland area and traveling across a concrete section surrounded by water on both sides. In this section, the trail sides are to be mowed or trimmed to ensure a minimum thirty-six inches (36”) clear shoulder next to the trail.

The trail then turns west to its end at a small parking lot on Edgemoor Road near Haw Ridge Park. The trail sides are to be mowed or trimmed to ensure a minimum thirty-six inches (36”) clear shoulder along the trail (maintaining existing wider turf areas where established). All turf around the parking lot at the end of the greenway, between Edgemoor Road and the lake, is to be mowed at the same time as the trail.

2.18 MELTON LAKE PARK – 695 Melton Lake Drive

The park consists of a playground, sand volleyball court, a large pavilion, public restrooms, an outdoor recreation rental concession, and the headquarters of the Oak Ridge Rowing Association. The park is to be mowed weekly from Amanda Drive to the Rowing Course Finish Line Tower, including the section of Melton Lake Greenway located within the park.

2.19 MILT DICKENS PARK – 116 Athens Road.

The park consists of a playground, soccer field, open space, and parking. At the park's north end, there is a small turf area across the creek, bounded by residential properties. This turf must be accessed by crossing the creek. The turf within the chain-link fence surrounding the soccer field is excluded from this contract. Trimming the fence line outside the soccer field is required in this contract.

2.20 MUNICIPAL SWIMMING POOL – 180 Providence Road.

Mowing and trimming consists of all turf inside and outside of the fences on the parcel, including a strip outside the fence on the north side, next to the wooded area. Trimming of the chain link fence is required inside and out. The creek bank will be mowed or trimmed to the water's edge.

2.21 OAK RIDGE HIGH SCHOOL TENNIS CENTER – 127 Providence Road.

Located on the north side of the Oak Ridge Turnpike, across from the Civic Center, the area consists of two sets of fenced-in courts and a storage shed.

Mowing and trimming are required between the sections of courts and a perimeter twenty (20) feet wide around both sections of courts. Oak Ridge Schools maintain the remainder of the area.

2.22 PINWOOD PARK – 211 Bus Terminal Road.

The park consists of a softball field, a soccer field, open space, and parking areas. The turf within the chain-link fence surrounding the soccer field is excluded from this contract. Trimming the fence line outside the soccer field is required in this contract. All other turf is to be mowed simultaneously to maintain a consistent appearance throughout the park.

2.23 SCARBORO PARK – 148 Carver Avenue

The park consists of three distinct areas. They include the Scarboro Community Center, Parcel 411, and Parcel 395.

Scarboro Community Center: Located on Carver Avenue and consists of the grounds adjacent to the Community Center and parking lot. There is a playground and picnic shelter south of the center. Mowing will be done up to the ditch west of the community center.

Scarboro Park – Parcel 411: Parcel 411 is located on the east side of Carver Avenue and consists of a softball field, basketball courts, a picnic shelter, a detention pond, and a walking trail. Mowing and trimming include all turf up to the south side of the emergency access road surrounding the Oak Ridge Preschool and continuing to the east property boundary. Oak Ridge Schools maintain the remainder of the area. Refer to the available aerial photo for an illustration of the boundaries.

The Community Center and Parcel 411 will be mowed and trimmed simultaneously so the park maintains an overall neat and groomed appearance.

2.24 Scarboro Field – Parcel 395: Parcel 395 is a large open-space area west of Carver Avenue behind the community center, to be mowed bi-weekly. Mowing with a tractor and rotary mower is acceptable in this area. There are two ditches located in Parcel 395 that must be trimmed to prevent blockage by woody vegetation.

2.25 SOLWAY PARK – 205 Edgemoor Road.

The park, located on the south side of Edgemoor Road, is comprised of two separate areas adjacent to each other but separated by Melton Hill Lake backwaters. The areas consist mainly of open space and include a boat ramp, fishing pier, parking, and picnic areas.
