ITEM 1 – Comments and Questions received from Potential Bidders

1. In the specifications, it states ballistic carrier w/front and rear plates; but, there are no specs for the plates. Are you referring to the soft ballistic material inserts or hard rifle plates? If you are referring to hard rifle plates, what are the specs you need?

The ballistic specs should have been with what I sent.

2. What do you mean by "custom IR" in the ID panel section?

Infrared panels that can be seen with night vision that say "POLICE" with the ORPD badge on it.

3. What is the size, colors, and thread count for the custom badges?

That depends on the vest, black on OD Green (the badge isn't embroidery its screen print)
