FOR RFQ 147867

DATE: April 15, 2016

TO: ALL BIDDERS OF RECORD

FROM: LYN MAJESKI, ACCOUNTING DIVISION MANAGER

BID FOR: REQUEST FOR QUALIFICATIONS MATERIALS FOR WEATHERIZATION AND ENERGY
RETROFITTING OF APPROXIMATELY 230 HOMES

This Addendum forms a part of and modifies the bid specifications for the above item currently scheduled due for submission April 19, 2016 at 3:00 p.m. (local time) at the City of Oak Ridge. Central Services Complex, 100 Woodbury Lane, Oak Ridge, Tennessee..

ITEM 1 – Comments and Questions received from Potential Bidders:

1. Do we have any idea on quantity for this project items?

Exact quantities cannot be determined until actual homes are selected for this program. Quantities per item are probably going to range from 20 to 100 for most and more than that for some of the smaller items.

2. I wanted to see if you had any “guestimates” on quantities as it will help us get better volume purchasing.

See above question.

3. The doors, are the doors with glass in them entry doors? I don't want to assume anything. Also, the regular fiberglass and steel doors I assume are just entry doors....nothing special about them.

As for the doors, just include as much information on their options as possible and price all options available.
