City of Oak Ridge Releases Schedule for Citywide Leaf Pickup

Oak Ridge, TN---The citywide leaf pickup program will begin Monday, November 19, 2012. City collection efforts will follow the accompanying schedule as closely as possible. *The proposed schedule is a general guide and can vary considerably from the actual schedule due to the amount of leaves and weather conditions.*

Residents have always been very cooperative and we ask for their continued cooperation this year by following a few guidelines:

- Residents should place their leaves near, but not beyond the curb. Leaves are not to be placed in the street due to possible clogging of storm drains and posing a traffic hazard. Hazards so created will be removed by the City at the resident's expense.
- Leaves should be free of tree branches and twigs as these can cause the leaf vacuums to clog. Because of their impact on production, leaf piles found to contain these items will not be picked up.
- All leaves must be placed outside fenced areas. Leaves in plastic bags will also be picked up at the curb during the scheduled program.
- Only leaves will be collected during this fall's program. Citizens are reminded that the leaf pickup program typically begins the Monday before Thanksgiving each year, while the citywide household trash and brush pickup programs are held during April and May.

Publication: Please print the entire schedule upon receipt and then each week's schedule on the Friday prior to that week, starting with November 16, 2012.

For more information contact: Waste Connections of Tennessee at (865) 482-3656 and the leaf pickup schedule can be found on the City's website www.oakridgetn.gov.

News media contact: Candice Brown (865) 425-3546 or cbrown@oakridgetn.gov.

Attachment: 2012 Leaf Pickup Schedule.
