

**APPLICATION FOR RESIDENTIAL "BACKDOOR" GARBAGE & RECYCLING SERVICES**

The City of Oak Ridge recognizes that some residents are unable to bring their garbage and recycling carts to the street curb or alley for weekly collection. Therefore, the City offers free "backdoor"<sup>1</sup> garbage & recycling services for those who qualify.

To qualify, you **must have a physical limitation** preventing you from being able to bring the bins to the curb AND have no one on whom you can rely to get the garbage/recycling to the street each week for collection.

To apply for this service, please mail the completed form to: **City of Oak Ridge Public Works Department, P.O. Box 1, Oak Ridge, TN 37831** or bring in person to **100 Woodbury Lane, Oak Ridge.**

Yes  No — I currently have a brown City of Oak Ridge recycling cart and would like to participate in backdoor recycling in addition to backdoor trash services.

Yes  No — Please sign me up to receive a brown recycling cart. I do not currently have one, but I'd like one. I understand that recycling carts are distributed only twice a year.

I certify that I have a physical limitation that restricts my daily life activities and that I am requesting the City of Oak Ridge provide "backdoor services" to accommodate my physical limitation. I further certify that there is no one able to provide this service for me.

I certify that the Applicant named above has a physical limitation which substantially restricts his or her daily life activities and requires "backdoor services" as a reasonable accommodation.

This limitation is:  Ongoing  Temporary

If temporary, this accommodation is required for \_\_\_\_\_ days/months/years.

<sup>1</sup> Backdoor Collection does not necessarily mean the cart placement is literally at your backdoor. The cart(s) can be placed up at your home in a convenient location so long as they are not up or down any stairs, behind any locked/enclosed fences or under any structures with a roof.
