

# It's National Library Week!

Let's celebrate by helping others in our community all month long!

ADFAC, a local non-profit organization, is in need of our help, so they can help our neighbors in need. ADFAC has two programs that provide much needed items for basic survival: school supplies for students and pantry items for families.

All donations can be dropped off at the Oak Ridge Public Library throughout the month of April.

## SCHOOL SUPPLIES REQUESTS:
