**FOR RELEASE
June 15, 2012**

Street and Lane Closures – Oak Ridge Turnpike, Tennyson Road, Melton Lake Drive, S. Illinois Avenue, Robertsville Road and Jefferson Avenue

Oak Ridge, Tenn. ----Rogers Group, Inc. Oak Ridge, TN, working under contract to the City of Oak Ridge Public Works Department, is scheduled to do asphalt resurfacing work to repair and resurface portions of the state and city streets listed above.

Beginning the week of June 21, 2012, the contractor will be milling damaged asphalt surfaces then replacing with new pavement. Work will be scheduled to minimize impact to the traveling public; however, lane and street closures will be required. These areas will be clearly marked with signs and other traffic control devices.

The locations of the work are: northbound S. Illinois Avenue near Lafayette Drive, Robertsville Road at Jefferson Avenue, Oak Ridge Turnpike at Tennyson Road and Oak Ridge Turnpike at Melton Lake Drive.

This work is anticipated to take approximately 2 weeks and will require road and/or lane closures, lane shifts and the short term stoppage of traffic. Unforeseen circumstances or inclement weather could cause delays in the construction schedule

The City appreciates the public's patience. Questions or comments can be directed to the City of Oak Ridge, Public Works Department at 425-1875.
