

CITY CLERK MEMORANDUM

15-75

DATE: December 31, 2014
TO: Honorable Mayor and Members of City Council
FROM: Bruce M. Applegate, Acting City Clerk
SUBJECT: 2015 END-OF-YEAR ELECTIONS

Election (Boards and Commissions)

During the recruitment process, approximately, 60 applicants expressed an interest in serving as a member of the various boards. This year, there were approximately 15 city and non-city boards that had end-of-year expiring terms or current vacancies.

As part of the process for completing these reports for City Council, the City Clerk's Office has taken measures in allowing applicants who submitted hand written applications to view the electronic version of their application. The reports for the boards also contain information pertaining special qualifications and identifies incumbents. Resumes, cover letters, or other reference materials submitted by applicants or otherwise noted by them for the end-of-year elections has also been included in the agenda packet for Council's review.

At the beginning of each of the board applications, there is a list of the interested board applicants and their preference, terms of office, special qualifications, a current board roster, and a listing of the terms of office.

I have also included a sample ballot for City Council to familiarize themselves with the ballot process, which is similar to the three (3) previous years. Official ballots will be distributed at the December 14, 2015, meeting that will be used to elect board members. In some cases, the number of board vacancies matches the same number of applicants. In those cases, City Council may wish to elect those members by acclamation. Additionally, City Council may wish to elect someone by acclamation based on the special qualifications of a specific membership. Ballots have been included in those cases as an additional, measure for City Council.

There were some short comings for City Council to be made aware of in relation to a board's quorum. City Council may wish to fill these vacancies as part of the 2016 mid-year election provided that the boards do not experience quorum issues. Details are below:

Anderson County Community Action Commission

During the recruitment process, the City Clerk's Office received no applications for the one (1) vacancy.

Personnel Advisory Board

During the recruitment process, the City Clerk's office received only two (2) applications for 3 vacancies. This board is a five-member board, where three (3) members constitute a quorum.

Senior Advisory Board

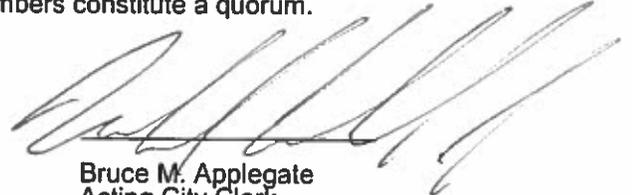

During the recruitment process, the City Clerk's Office received only one (1) application for the two (2) vacancies. This board is a five-member board, where three (3) members constitute a quorum.

Trade Licensing Board

During the recruitment process, the City Clerk's Office received only one (1) application for the two (2) vacancies. This board is a seven-member board, where four (4) members constitute a quorum.

Traffic Safety Advisory Board

During the recruitment process, the City Clerk's Office received only one (1) application for the three (3) vacancies. This board is a ten-member board, where four (4) members constitute a quorum.

Bruce M. Applegate
Acting City Clerk

Anderson County Board of Equalization Anderson County Economic Development Association

Education, Professional and or Community Activity

I have served continuously on ACEDA / MHRIDA since 1999. Serving 10 years as the Chairman of the ACEDA Board.

Explain why you are interested in being appointed to this board, commission or committee

ACEDA has been the premier industrial recruiter in the region. It has filled 4 industrial parks and continues to routinely promote expansion of its current industrial plants. I have been honored to be a part of this extremely effective industrial recruiting organization and would like to continue to contribute to this endeavor as an Oak Ridge representative.

Describe any special knowledge or past experience qualifying you for this appointment?

I have developed a strong background in industrial plant recruitment methods and evaluation of those industrial plants which best fit our region. Additionally, I maintain an active indepth understanding of property values and marketing conditions as a member of the Property Equilization Board of Anderson County.

Retired?

N

Do you currently serve on any other City board, commission or committee?

Education, Professional and or Community Activity

I am a graduate of the Leadership Oak Ridge program (class of 2013). I'm currently the treasurer for the Arts Council of Oak Ridge, on which I've served for three years.

Explain why you are interested in being appointed to this board, commission or committee

As a resident of Oak Ridge, I have a vested interest in the amenities our city offers residents and visitors (who may hopefully move on to become residents). Among the top amenities which seem to draw people to a town are places to eat and drink. Oak Ridge seems to have a hard time capturing new establishments and maintaining responsible existing ones.

Describe any special knowledge or past experience qualifying you for this appointment?

I bring a reasonable, responsible attitude toward the granting of beer permits as well as the sanctioning of suspensions or other sanctions for violations of permits.

Special Qualifications

Resume

SueAnne B. Lewis

43 Riverview Drive
Oak Ridge, Tennessee 37830
865/482-1386

Summary

Ms. Lewis is a lifelong resident of Oak Ridge, Tennessee. She has served on the Health and Education Facilities Board for the City of Oak Ridge since it was established and currently chairs that board. She retired as an assistant professor of Interior Design at Pellissippi State Technical Community College in 2011. She practiced interior design specializing in creating enabling environments for older adults. Before becoming an interior designer, Ms. Lewis worked over 20 years in the fields of marketing and public relations, and earlier she taught 10th- and 12th-grade English at Oak Ridge High School.

Education

- **M.S., Interior Design**, The University of Tennessee, Knoxville, TN, 1998
- Completed 57 semester hours in undergraduate Architecture and Interior Design courses
- **A.A. summa cum laude, Fine Art**, Roane State Community College, Harriman, TN, 1976
- **B.A., English**, Maryville College, Maryville, TN 1967

Experience

- **Interior Designer**, Blair-Lewis Interiors, Oak Ridge, TN and **Assistant Professor of Interior Design**, Pellissippi State Technical Community College, Knoxville, TN (2000-Present). Instruct courses in interior design, including materials, architectural drafting, computer-aided drafting with AutoCAD, building codes, and history of architecture and interiors.
- **Interior Designer**, King & Johnson Incorporated, Knoxville, TN (1999-2001). Responsible for selection of furniture and interior finish materials and for preparation of construction documents and specifications for commercial clients. Most projects were in healthcare environments.
- **Manager, Communications and Technology Transfer**, Tennessee Center for Research and Development, Knoxville, TN (1987-1991). Responsible for design, publication, and distribution of technical documents and for planning and presentation of technical seminars, workshops, and conferences for the Power Electronics Applications Center under contract to the Electric Power Research Institute of Palo Alto, California.
- **Editorial Supervisor and Assistant Manager of Technical Publications Center**, Science Applications International Corporation, Oak Ridge, TN (1984-1987). Coordinated production of proposals for large government contracts. Supervised staff of eight technical editors and assisted in management and supervision of word processing, graphic arts, and reproduction activities.
- **Marketing and Public Relations Officer**, First American National Bank, Clinton, TN (1979-1984). Responsible for marketing and strategic planning as well as purchasing and inventory of supplies and equipment for main office and seven branch offices. Also

managed maintenance and disposition of bank-owned real estate acquired through foreclosure.

- **Advertising Representative**, *The Oak Ridger*, Oak Ridge, TN (1976-1979). Consulted with advertisers on marketing strategies, sold advertising space, designed and wrote copy for advertisements. Did some free-lance graphic design.
- **English Teacher**, Oak Ridge High School, Oak Ridge, TN (1967-1970). Taught 10th-and 12th-grade English classes; advised student yearbook staff. (Held Tennessee secondary school teacher certification.)

Do you currently serve on any other City board, commission or committee?

Education, Professional and or Community Activity

High School College Trade School 41 years of continuing education for automotive technology. This is one of just a few industries that change on a rapid pace that demands constant retraining. Active in my church. Hardin Valley Church of Christ I ran for Anderson County Commissioner District # 7 Last election and came in third of 6 candidates that were running in District # 7 . I mention this because of the experience and the many citizens that I met and learned their concerns for or wonderful city. My wife and I own M and W Auto Repair here in Oak Ridge .We have been a supported of our community and sports here for the 26 years that we have been in business. Il have also coached and served on the Girls Incorporated Board of Directors.

Explain why you are interested in being appointed to this board, commission or committee

I am a native Oak Ridger and have been active in our community for many years. While campaigning for the Anderson County Commissioners seat I met with so many citizens and know their needs and desires. I was born in 1952 and have seen first hand the many changes that our great city has went through and want to be a part of its continued growth. I am willing and eager to work with the others on the Planning Commission

Describe any special knowledge or past experience qualifying you for this appointment?

Board of Zoning Appeals

Education, Professional and or Community Activity

B.S. Mechanical Engineering

M.S. Planning

Board Member - Cumberland Trail Conference

Board Member - Tennessee Citizens for Wilderness Planning

Explain why you are interested in being appointed to this board, commission or committee
--

I've served on the board since approximately 2005 and believe our decisions make a difference to a neighborhood and cumulatively, to the community.

I'm a native Oak Ridger and moved back in 1991, so I care deeply about the city and its future growth. Serving on this board lets me make a difference to my community and put my master's degree in (urban) Planning to use at the same time.

Describe any special knowledge or past experience qualifying you for this appointment?
--

I've served on the board since about 2005 and have a master's degree in Planning.

Additional Information

Special Qualifications

Susan I. Donnelly

Education

M.S.P., Planning

1999

University of Tennessee

Knoxville, TN

Concentration in Environmental Planning; 4.0 grade point average.

B.S., Mechanical Engineering

1986

Clemson University

Clemson, SC

Planning Experience

Planning

- Member of the Oak Ridge City Board of Zoning Appeals since June 2000. Currently Board Secretary.
- Member of Greenways Oak Ridge.
- Tennessee Citizens for Wilderness Planning Steward for the North Ridge Trail.
- Completed several planning projects during master's study .

Working with Requirements

- Work in assessments since 1991 requires continual comparison of situations against requirements, as well as interpretation of requirements.
- Written many procedures and requirement documents.

Presentations and Verbal Communications

- Routinely present positive and negative assessment results to impacted individuals and upper management.
- Taught classes in assessment subjects since 1994.

Employment

Issues Management Specialist/Causal Analysis Subject Matter Expert

January 2007-present

CNS Y-12

Oak Ridge, TN

- 1) Provide Expertise on Causal Analysis. Lead causal analysis meetings on complex and sensitive issues, ensure all possible causes have been identified, and report results. Mentor individuals seeking to become qualified causal analysts. Provide training. Monitor the adequacy of site performance in causal analysis.
- 2) Implement Program Requirements. Assist in implementing issues management program requirements. Provide lead input in issues management database decisions. Provide input into process improvement efforts. Write procedures, associated forms and other tools that implement the program. Answer customer questions and interpret procedure requirements.
- 3) Design and Conduct Training. Design all training material for four different issues management courses. Conduct the same four courses on a routine basis.

Staff Assessor

June 2004-January 2007

UT-Battelle

Oak Ridge, TN

- 1) Perform Assessments/Reviews. Lead and participate in independent assessments of internal organization performance-based management systems. Perform special reviews upon request such verification of the completion of corrective actions, or effectiveness and compliance of a management program or system.

Assessments Task Manager

1999-June 2004

Pacific Western Technologies, Ltd. (PWT)

Oak Ridge, TN

- 1) Managed an Assessment Program. Managed the independent assessment service provided to Bechtel Jacobs Company, LLC (BJC), by directing the completion of multiple assessments in various stages of life cycle at five separate sites. Established and maintained the PWT lead auditor certification program.
- 2) Performed Assessments/Reviews. Led independent assessments for Bechtel Jacobs Company on management programs, field projects, vendors, and subcontractors. Participated in Readiness Reviews, Independent Verification Reviews for new safety basis documentation, and special reviews at request.
- 1) Performed Quality Engineering. Evaluated subcontractor Quality Assurance Plans for adequacy, rote and closed corrective actions, created evidence packages, and authored Lessons Learned. Taught. Developed and taught BWXT Y-12 Lead Auditor training and DOE surveillance course. Taught a Lead Auditor course for PWT, developed a similar course for BJC.
- 2) Wrote Procedures and Program Documents. Wrote PWT audit, lead auditor qualification, and several ISO 9001:2001 procedures. Wrote the BWXT Assessment Program Description. Revised BJC independent and management assessment procedures.
- 3) Supported ISO 9001:2001 certification. Assisted PWT in achieving and maintaining ISO 9001:2000 certification.

Senior Quality Engineer

1998-1999

Bechtel Jacobs Company, LLC

Oak Ridge, TN

- 1) Established Program. Helped establish the new BJC independent and management assessment programs, including scope, approach, and process.
- 2) Performed Assessments. Led independent assessments for Bechtel Jacobs Company on company programs, in-field projects, vendors, and subcontractors. Work included planning, performing, reporting, and following up on assessments.
- 3) Wrote Procedures. Wrote the initial BJC independent and management assessment procedures and coordinated some subsequent revisions.

Senior Quality Engineer

1991-1998

Lockheed Martin Energy Systems (LMES)

Oak Ridge, TN

- 1) Managed Program. Served as lead for the three assessors in the LMES Technical Assessment Group assigned to the K-25 Site.
- 2) Performed Assessments. Implemented the Integrated Assessment Program at K-25, which combined safety, health, environmental and quality experts together on teams as large as 32 members. Led over 50 assessments and participated in readiness reviews and as an examiner in DOE Energy Quality Awards Program.
- 3) Wrote Procedures. Wrote independent assessment procedures for LMES.
- 4) Taught. Taught and revised lead auditor course for LMES.

Industrial/Quality Engineer

1991-1998

Burlington Industries

Oxford, NC

- 1) Supervised. Supervised three hourly time clerks.
- 2) Performed Industrial/Quality Engineering. Created plant's first process control study and control charts for process equipment. Performed time-motion studies, designed machine layouts, and wrote computer programs for budget, shift, and pay calculations.

Awards

PWT Award of Excellence - 2000

BJC Distinguished Service Award - 1999

DOE Exceptional Service Award - 1998

Education, Professional and or Community Activity

Present - Director of Sales for the Holiday Inn Express & Suites, and Staybridge Suites in Oak Ridge

My professional career has come full circle as I helped transition the Garden Plaza to the Double Tree Hotel in 2000 as their Guest Service Manager.

Explain why you are interested in being appointed to this board, commission or committee

I am so excited to serve on the board for the Oak Ridge CVB. I believe I bring a passion for hospitality and can be a positive contributor to the organization. In addition, this is a great opportunity to serve the Oak Ridge community utilizing my professional skills and knowledge.

Describe any special knowledge or past experience qualifying you for this appointment?

I have more than 15 years of hospitality experience including hotel operations and sales. I have been a recent recipient of the Marriott Spirit to Serve Award. This prestigious award recognizes associates for outstanding service to guests.

Current Company/Organization

Roane State Community College

Current Position / Title

Director, Public Relations

Retired? Company / Organization Retired From

Do you currently serve on any other City board, commission or committee?

None

Education, Professional and or Community Activity

Bachelor's degree in English and history from Clemson University (1997)

Master's degree in communications from Austin Peay State University (2010).

I have worked in media for 10 years and in public relations for seven years, including editing, writing, photography, layout, social media, media buying and publication planning.

Explain why you are interested in being appointed to this board, commission or committee

I am interested in the CVB because I want to help tell Oak Ridge's story, and the CVB is the board most closely aligned with that purpose. I believe I could be of good service to the community by using my writing skills to help with the Explore Oak Ridge website and to share the many wonderful aspects of the community, from walking at Melton Hill Lake to having ice cream at Razzleberry's. After living here for seven years, Oak Ridge has become a special place for me and my family, and I would like others to understand the many, many benefits that living in Oak Ridge offers.

Describe any special knowledge or past experience qualifying you for this appointment?

My career in media and public relations fits well with the purpose of the CVB, including my extensive writing, editing, and branding experience. For Roane State, I have helped lead numerous communications initiatives to promote programs and services.

Most recently Buyer at SAIC 2011-2014

Member - ADFAC Affordable Housing and Hospitality Committees

ORICL History Curriculum Committee Chair and Trip Committee Member/Leader

ORPL Volunteer

Explain why you are interested in being appointed to this board, commission or committee

I am a relatively new citizen of Oak Ridge who appreciates the history and resources available in and through our city. These assets should be better supported and publicized so they can provide a more stable revenue source to maintain city services. When I would pass the highway exit to the city, I vaguely knew Oak Ridge's reputation as The Secret City. Even after living here for 5 years, I still believe that much information about what can be found here is not as available as it could or should be.

Describe any special knowledge or past experience qualifying you for this appointment?

I have made it a special point to learn as much as I can about Oak Ridge, its past, present and future, in the time I have lived here. As an "outsider," originally from Southern California, I have found a lot of similarity between the aerospace and defense industry that I worked in there and the energy and national security industries here. I think this similarity can be played up as the basis to draw additional tourists here. This would be in addition to the natural beauty of the area as well as some other areas of historical significance.

Additional Information

Special Qualifications

SUSAN L. (Sue) FREDERICK
19 Asbury Lane, Oak Ridge, TN 37830
hbsuefred@yahoo.com, 714-875-8457

OBJECTIVES

Do you currently serve on any other City board, commission or committee?
--

Education, Professional and or Community Activity

Extensive experience in travel industry sales, marketing, development and sponsor-partnership support.

Explain why you are interested in being appointed to this board, commission or committee
--

I've been interested in the tourism activities of Oak Ridge for years. With the formation of the new Secret City Festival non-profit, there are many more opportunities ahead.

Describe any special knowledge or past experience qualifying you for this appointment?
--

Extensive. I am a career professional in tourism.

Additional Information

Special Qualifications

Director of Sales, Faith Travel Association – July 2014 to June 2015

Generated \$70,000 in sponsorship sales in 5 months. Responsible for all travel agent, tour operator, hotel, destination, airline, consortia and travel supplier sales coverage involving:

- Targeted sales calls
- Travel agent sponsorship sales
- Sponsorship, event and conference sales
- Effective sales proposals and presentations
- Membership and e-marketing sales

Director of Sales, Travel Market Report – June 2013 to July 2014

Leadership of online and print sales effort from accounts across the hotel, hospitality and travel industry. Sales results from a wide variety of travel industry partners including hotels, cruise lines, tour operators, travel agency consortia airlines and destinations.

Director-Hotel Partner Solutions - CCRA Travel Solutions, 6 years, 2 months

Sales results from hotels and resorts in all locations participating in CCRA's global hotel program. Successfully sold marketing programs to hotel brands, regional and local operators in the United States and International locations. I generated \$1.4 million in sales in last year, a 12% increase year-over-year. I have increased travel agent business from all markets, including leisure, corporate and group.

- Distribution of preferred hotel rates to all four GDS
- Implementation of marketing programs for travel agents
- Sales of web-based hotel marketing programs and packages
- Webinar content and presentations
- Networking and global travel trade shows and events

Summary of Prior Hotel and Hospitality Experience: US and International

Progressively responsible senior level hotel, travel and hospitality sales with an emphasis on new business development. Additional experience includes print, sponsorship and event sales for ACTE; generated \$2.5 million in new revenue over 15-month period. I've planned and executed hotel sales and marketing programs, promotions and activities at every level. I served on ASTA's Allied Marketing Committee for 3 years, and generated more than \$2.7 million sales for ASTA's travel agent publication.

Hotel sales and marketing development, based in New York, Hong Kong, Bangkok and San Francisco. Built business from travel agencies, corporate, group travel, incentive and meetings market for international and US hotel properties.

Y

Do you currently serve on any other City board, commission or committee?

Education, Professional and or Community Activity

BA Physics, MS and Ph.D Bionucleonics; Retired DOE Division Director; Author of the award-winning Oak Ridge Heritage Tour Guide for the Convention and Visitors Bureau; Author of the 160-page book "55 Years that Changed History, A Manhattan Project Timeline (1894 to 1949);" Organized our city's celebration of the Bicentennial of the National Anthem; Organized 75th Wheat Reunion program; Organized the 67th anniversary celebration of the Oak Ridge Gate Opening; Organized and lead efforts to create the Wheat Heritage Exhibit, the Oak Ridge African American Manhattan Project Heritage Exhibit, and the Manhattan Project Timeline Exhibit; Member Oak Ridge Heritage and Preservation Association; Editor of the ORHPA Newsletter; ORHPA Board of Directors and Chairman of Financial Planning Committee; Active participant in ORHPA history room during many of the Secret City Festivals; Volunteer at the Oak Ridge Visitor Center.

Explain why you are interested in being appointed to this board, commission or committee

I would like to help the CVB plan its involvement with the new National Park. The Manhattan Project opened created a "Gateway to Peace" that changed the direction of our civilization. Thanks to that enormous project, mankind has not suffered a third unlimited World War in 7 full decades.

The CVB can (and should) use this Gateway-To-Peace theme as a platform to pursue large donors to fund new Oak Ridge tourist attractions (major refurbishment and expansion of expansion of AMSE, creation of a variety of key city monuments, extensive peace gardens and outdoor exhibits, etc.). Oak Ridge needs a privately-funded "Manhattan Project Village" as a major new tourist draw. The CVB could help bring this potential gold mine to our city. All it takes is money and leadership!

Describe any special knowledge or past experience qualifying you for this appointment?

I have organized and lead community events for many years. I have authored a 35-page, pocket-sized, award-winning heritage tour guide for Oak Ridge and a 160-page detailed timeline for the Manhattan Project.

Oak Ridge, TN 37830

Current Company/Organization
Self

Current Position / Title
Freelance Writer & Media Consultant

Retired? Company / Organization Retired From

Do you currently serve on any other City board, commission or committee?

Education, Professional and or Community Activity
Media Consultant for local nonprofits and businesses: East TN FARM Markets (which runs the Oak Ridge Farmers Market), Lavender Festival, Graduation Celebration, Estate Sale Professionals and Thunder Road Wine Trail. * Freelance Writer for Knoxville News Sentinel, 2007 to present. I write twice each month for the features section. * Master's Degree in Journalism, University of Maryland, College Park, 1991.

Explain why you are interested in being appointed to this board, commission or committee
I have been a resident of Oak Ridge for 22 years, and am very interested in improving our city in general, and specifically as it relates to the work I do with my clients. The Lavender Festival, Oak Ridge Farmers Market and Thunder Road Wine Trail are each dependent at least to some extent on out of town visitors, and I think my work with those groups goes along with what the ORCVB does.

Describe any special knowledge or past experience qualifying you for this appointment?
I have never worked with a visitor's bureau; however, I have been very involved in planning special events and promoting them through print, website and social media channels. I have press connections through my work as a media consultant.

Additional Information

Special Qualifications

Rebecca D. Williams

102 Deerfield Lane, Oak Ridge, TN 37830 · Ph: 865-483-9124 · Rebecca@RebeccaDWilliams.com

Rebecca D. Williams is an experienced freelance writer, social media and marketing consultant based in Oak Ridge, TN. She helps small businesses and non-profit organizations plan, execute and succeed in their marketing efforts.

Social Media, Communications Experience

Freelance Writer, Marketing Consultant 2007 – present.

- Regular contributor to the Knoxville News Sentinel, in the features, education and metro sections, since 2007. Research topics, interview experts and write about four articles per month.
- Social Media Marketing for small businesses. I do their email marketing, social media strategy and website copy. Clients include the Lavender Festival, Graduation Celebration, The Ferrell Shop, Cozy Joe's Café, Estate Sale Professionals, Thunder Road Wine Trail, East TN FARM Markets.
- Public relations writer, Covenant Health Systems hospitals, since 2009. Research health topics, interview physicians and patients, communicate that information to a lay audience in weekly features that run in area newspapers.
- Contributing Writer, *The Oak Ridge Observer*, Oak Ridge, TN, 2005-2006.
- Regular contributor to *FDA Consumer*, the magazine of the US Food & Drug Administration. Each article provided an in-depth look at a health topic involving foods, drugs and medical devices regulated by FDA, 1993 - 1998.
- Books: Chapter text of *Children's Prescription Drugs: A Parent's Guide to the Most Commonly Recommended Drugs for Children* (Publications International, Ltd., 1995), *Prescription Drugs for People Over 50* (Publications International, Ltd., 1997).

Staff Writer, *FDA Consumer*, Rockville, MD, 1991-1993. Wrote monthly in-depth articles on health topics for the magazine. Subscription circulation was about 25,000, but articles were used for reprints in FDA field offices and on the World Wide Web.

Features Writer, *The Leaf-Chronicle*, Clarksville, TN, circulation 25,000, 1986-1989. Wrote several features each week covering a wide range of topics, from food and health to medical issues and profiles of interesting local citizens.

Professional Skills

- Extensive research skills using Microsoft Office and Mac applications.
- Proficient in ConstantContact, Hootsuite social media manager, Twitter, Facebook and other social media.
- Excellent interpersonal skills and creative problem-solving skills.

Education

M.A. Journalism, Science Writing, University of Maryland at College Park, 1991.
B.A. Religion, Emory & Henry College, Emory, VA, 1986, magna cum laude.

Additional Information

Special Qualifications

October 6, 2015

City of Oak Ridge, TN Environmental Quality Advisory Board
c/o City Clerk's Office
Oak Ridge, TN

Dear Members of the Environmental Quality Advisory Board,

In 2005, a strong desire to help solve society's biggest challenges led me to leave behind a staff biologist position at a regional engineering firm and pursue graduate education. I decided to specialize in microbial physiology and bacterial metabolism – essentially how bacteria make a living – because I believed these fields were to key to solving pressing environmental issues. Today, I am a Postdoctoral Research Associate at the Oak Ridge National Laboratory where I am working on the biogeochemical cycle of mercury. I am eager to use my technical training to help solve local problems and, therefore, I am writing to express my interest in joining the Oak Ridge Environmental Quality Advisory Board.

You will see from my enclosed *curriculum vitae* that I have had a successful research career – I have no doubt that I would provide a valuable technical resource as the board goes about the business of ensuring the health of our local environment. What sets me apart is a demonstrated commitment to serving the communities of which I am a part. I assumed leadership positions in the Cox Seminar Organizing Committee at the University of Oklahoma and was elected to two successive terms as committee chair. While in Oklahoma, I also had the opportunity to assume a leadership position in the Oklahoma Scottish Pipes and Drums; actively participating as a member for six years while serving two one-year terms as an officer elected by the membership. I have continued to demonstrate my commitment to service since arriving in Eastern Tennessee by serving a one-year term as a member of the Oak Ridge Postdoctoral Association Executive Committee and joining the Knoxville Pipes and Drums.

I have met with continued success in each of the above cases. My Cox Committee team organized three different technical lectures as part of an ongoing series and, in my final year as chair, the talk was attended by 150 individuals from throughout the state. This figure was record attendance and has not yet been matched by an subsequent committee. As an officer with the Oklahoma Scottish Pipes and Drums, I was part of a team which transformed a "performance-only" band into the most active organization supporting highland bagpipe music in the state of Oklahoma and meeting with competitive success throughout the central United States.

The Environmental Quality Advisory Board offers an exciting opportunity to use my strong technical training to help solve problems in a community of which I am a part. I am eager to help out as the board continues to protect our local environmental resources. Further, I am excited to experience local governance first-hand and learn how responsibilities are shared at this level. For your convenience, I have attached my current CV. I invite you to contact me at your earliest convenience if you have any questions about my materials.

Sincerely,

Bryan Crable, Ph.D.
Ph: (724) 910-7688

Summary statement:

Microbial physiologist with ten years experience. I am interested in leveraging my strong skillset and knowledge in bacterial metabolism to solve problems at the intersection of industrial exploitation of natural resources and the environment.

Education:

Ph.D., Microbiology. *University of Oklahoma*, Norman, OK

August 2007 – November 2013

M.S., Biology. *Duquesne University*, Pittsburgh, PA

August 2005 – August 2007

B.S., Biology. *Saint Vincent College*, Latrobe, PA

August 2000 – May 2004

Research and project management experience:

The Oak Ridge National Laboratory, Research Associate

February 2014 – current

The Oak Ridge National Laboratory is the largest US Department of Energy science and energy laboratory with an annual budget of \$1.4 to \$1.8 billion.

- Leading effort to metabolically characterize a model mercury-methylating organism and nine mutants
- Leading effort to metabolically characterize *Pelosinus fermentans* strain UFO1, an organism isolated from the Field Research Center at Oak Ridge National Laboratory
- Coauthored proposal to investigate the impact of phage on microbial community dynamics
- Collaborating on a systems biology experiment involving experimental design, data acquisition and data analysis from six field-bioreactors
- Mentored a high school student whose work has been presented at the 2015 ENIGMA team meeting and is expected to contribute to one article published in a peer-reviewed journal

The University of Oklahoma, Research and Teaching Assistant

August 2007 – November 2013

The University of Oklahoma is the State of Oklahoma's flagship university, is ranked in the top 50 public universities by US News & World Report and is classified by the Carnegie Foundation as an R1 research university.

- Led effort to identify key reverse electron transfer enzymes in two model syntrophic organisms
- Reported the genome and proteome of a model methanogenic organism
- Collaborator on two transcriptomic studies of model syntrophic organisms
- Mentored two undergraduate research assistants and provided training and guidance to several incoming graduate students
- Courses taught: Cell & Molecular Biology, Microbial Physiology, Pathogenic Microbiology and Fundamentals of Microbiology Laboratory
- Guest lectures in Pathogenic Microbiology, Cell Biology, and Microbial Physiology

Institute for International Education, Fulbright Fellow, the Netherlands

September 2010 – May 2011

The Fulbright Program provides highly competitive merit-based grants for international educational exchange and is recognized as one of the most prestigious awards programs worldwide.

- Independently conceived, designed, and received extramural funding for a project investigating metabolic interactions between two organisms
- Collaborator on the genomic annotation of a model syntrophic organism

Duquesne University, Research and Teaching Assistant

August 2005 – August 2007

Duquesne University is a private research university in Pittsburgh, PA and is recognized by the Carnegie Foundation as having high research activity.

- Demonstrated that transformation of the organoarsenical poultry-food additive, 3-nitro-4-hydroxy-benzeneearsonic acid, is degraded by either respiration or fermentation
- Teaching experience included Fundamentals of Microbiology Laboratory and team-teaching five sections of Cell and Molecular Biology Recitation.

Consulting experience:

Gaydos-Chambers Associates, Inc., Staff Scientist

April 2004 – May 2006

Gaydos-Chambers Associates, Inc. was a small regional environmental engineering and consulting firm with primary focus on municipal water supply and treatment of municipal sewage.

- Secured US Army Corps of Engineers Joint Permit for Wetland Mitigation during a \$5 million sewage treatment plant expansion
- Oversaw closing of two Pennsylvania Infrastructure and Investment Authority (PENNVEST) loans totaling approximately \$10 million
- Drafted Watershed Protection Plans for two local non-profit organizations

External Research Funding:

- | | | |
|---|---------|-----------|
| • Ecosystem Networks Integrated with Genomics and Molecular Assemblies (ENIGMA) Discovery Challenge Co Principal Investigator | 2015-16 | \$130,000 |
| • United States Department of State, Fulbright Fellowship | 2010-11 | \$25,000 |
| • A.J. Palumbo Grant for Undergraduate Research | 2004-05 | \$1,500 |

Selected Awards:

- 2012 George L. and Cleo Cross Graduate Student Fellowship, University of Oklahoma, Norman, OK
- 2011 FEMS Young Scientist Award, Geneva, Switzerland
- 2010-2011 Fulbright Fellow to the Netherlands, Institute for International Education, US State Department, Washington, DC. Jointly sponsored by the Netherlands America Foundation
- 2003-2004 AJ Palumbo Grant for Undergraduate Research, Saint Vincent College, Latrobe, PA

Invited Presentations:

- 2015 American Society for Microbiology Annual General Meeting
- 2015 Oak Ridge Postdoctoral Association Annual Research Symposium
- 2014 Oklahoma Academy of Sciences Annual Meeting

Professional memberships:

- American Society for Microbiology
- American Association for the Advancement of Science
- Pennsylvania Academy of Science

Synergistic activities:

- Reviewer for *PLoS One* and *Environmental Science and Technology*
- Oak Ridge Postdoctoral Association Executive Committee (ORPEX) FY2015
- Cox Seminar in Microbiology Organizing Committee Chairperson (2008-2010) and Co-chair (2007-2008)
- Ecosystems and Networks Integrated with Genes and Molecular Assemblies (ENIGMA) poster session organizer (2014)

Active in Oak Ridge Sunset Rotary Club
Member of the Interior Design Society

Explain why you are interested in being appointed to this board, commission or committee

I am a lifelong resident of Oak Ridge and want to serve my city as I can. This seems to be a good fit for me. If there are other areas where I can contribute, I am willing to do so.

Describe any special knowledge or past experience qualifying you for this appointment?

As an interior designer most of my professional experience was in health care facilities, and I have specialized in design for aging. My education and experience bring unique knowledge and skill to this board.

Resume

SueAnne B. Lewis

43 Riverview Drive
Oak Ridge, Tennessee 37830
865/482-1386

Summary

Ms. Lewis is a lifelong resident of Oak Ridge, Tennessee. She has served on the Health and Education Facilities Board for the City of Oak Ridge since it was established and currently chairs that board. She retired as an assistant professor of Interior Design at Pellissippi State Technical Community College in 2011. She practiced interior design specializing in creating enabling environments for older adults. Before becoming an interior designer, Ms. Lewis worked over 20 years in the fields of marketing and public relations, and earlier she taught 10th- and 12th-grade English at Oak Ridge High School.

Education

- **M.S., Interior Design**, The University of Tennessee, Knoxville, TN, 1998
- Completed 57 semester hours in undergraduate Architecture and Interior Design courses
- **A.A. summa cum laude, Fine Art**, Roane State Community College, Harriman, TN, 1976
- **B.A., English**, Maryville College, Maryville, TN 1967

Experience

- **Interior Designer**, Blair-Lewis Interiors, Oak Ridge, TN and **Assistant Professor of Interior Design**, Pellissippi State Technical Community College, Knoxville, TN (2000-Present). Instruct courses in interior design, including materials, architectural drafting, computer-aided drafting with AutoCAD, building codes, and history of architecture and interiors.
- **Interior Designer**, King & Johnson Incorporated, Knoxville, TN (1999-2001). Responsible for selection of furniture and interior finish materials and for preparation of construction documents and specifications for commercial clients. Most projects were in healthcare environments.
- **Manager, Communications and Technology Transfer**, Tennessee Center for Research and Development, Knoxville, TN (1987-1991). Responsible for design, publication, and distribution of technical documents and for planning and presentation of technical seminars, workshops, and conferences for the Power Electronics Applications Center under contract to the Electric Power Research Institute of Palo Alto, California.
- **Editorial Supervisor and Assistant Manager of Technical Publications Center**, Science Applications International Corporation, Oak Ridge, TN (1984-1987). Coordinated production of proposals for large government contracts. Supervised staff of eight technical editors and assisted in management and supervision of word processing, graphic arts, and reproduction activities.
- **Marketing and Public Relations Officer**, First American National Bank, Clinton, TN (1979-1984). Responsible for marketing and strategic planning as well as purchasing and inventory of supplies and equipment for main office and seven branch offices. Also

managed maintenance and disposition of bank-owned real estate acquired through foreclosure.

- **Advertising Representative**, *The Oak Ridger*, Oak Ridge, TN (1976-1979). Consulted with advertisers on marketing strategies, sold advertising space, designed and wrote copy for advertisements. Did some free-lance graphic design.
- **English Teacher**, Oak Ridge High School, Oak Ridge, TN (1967-1970). Taught 10th-and 12th-grade English classes; advised student yearbook staff. (Held Tennessee secondary school teacher certification.)

Publications

"Adequacy of Fire Code in Homes for the Aged," *Proceedings of the East/South Regional Meeting of Interior Design Educators Council*, September 26-27, 1998, Pittsburgh, Pennsylvania.

"Fire Safety in Senior Housing: A Code Perspective," juried paper in *Proceedings of the 20th Meeting of the Southern Gerontological Society*, April 7-10, 1999, Atlanta, Georgia.

Current Company/Organization

Current Position / Title

Retired? Company / Organization Retired From

Do you currently serve on any other City board, commission or committee?

Oak Ridge Housing Authority

Education, Professional and or Community Activity

BA, Emory and Henry College, Emory, Virginia
MA Tennessee Tech University, Cookeville, TN

Explain why you are interested in being appointed to this board, commission or committee

Oak Ridge has been my home since 1973. We raised two sons, Orion & Paul both of whom were involved along with their parents in athletic, school, & community activities. I have been retired from Ridgeview Psychiatric Center since 2011 as Director of Community Support Services, where I supervised the community services provided to chronically mentally ill folks. My other two strong interests are music & church. I am an active member of Kern Memorial United Methodist Church, play piano and organ, direct the handbell choir and sing in the Chancel Choir. I am a member of Altrusa, and am involved in various volunteer efforts.

In my professional role as a housing developer at Ridgeview, I worked with Steve Murray and the Housing Development Corporation in grant-writing and identifying options for rehabilitating properties for purposes of affordable low income folks. I also worked with the ORHA in placing folks in available HUD housing supervised by them. We, as a housing group, developed collaborative relationships with other local agencies whose goals were similar to ours. As a mental health professional, I collaborated with state organizations, the Department of Mental Health, and the Housing Development Corporation of the Clinch Valley in an effort to finance and provide housing on the local level for mental health folks as well as other low income residents. One of Ridgeview's first Tennessee Housing Development Association (THDA), initiatives was with the ORHA. We entered into agreement with to place only Ridgeview clients in the 12 apartment Joel Lane complex and provide case management and informal insight management. This arrangement has been maintained until this day with very satisfying results. Ridgeview currently operates a consumer-run recreational and educational service center in the recreational facility at Joel Lane; also an initiative with the ORHA.

Describe any special knowledge or past experience qualifying you for this appointment?

Safe & affordable housing for low-income folks, particularly the psychiatrically disabled, has been and is a passion of mine due to my observation of the life-changing difference it makes in their lives. But, I also know that making that housing possible requires top-notch administration of the funding source. Because I have worked with many other Housing Authorities statewide, I am aware of the high quality maintained at ORHA and am certainly ready to take advantage of any services the ORHA can provide to the community. And enjoy being part of a housing resource that maintains such high standards. I have made a contribution to housing options in Oak Ridge and want to continue to do so. The ORHA has many possibilities of service in the dealing with city & state agencies to form housing initiatives in the city.

Dear Mayor Gooch and Oak Ridge City Council Members:

Attached please find my Application for the Board of the Land Bank and my Resume. My years of experience in Grant Writing, financial management of projects with multiple funding sources and housing development have been very useful in developing Policies and Procedures as well as the Strategic Plan for the Land Bank. Our community will benefit greatly in the future if the Land Bank is well designed and managed to address the changing housing needs in our community.

If I may be of any assistance please do not hesitate to call.

AREAS OF EXPERIENCE

Economic

Work as Housing Consultant / Developer on HUD-202 elderly multi-family housing applications, HUD-811 Supportive Housing for Persons with Disabilities, and HUD 221(d)(3) housing applications. Prepare Emergency Shelter Grant Applications, Community Development Block Grant Applications, HOME grant Applications, and Federal Home Loan Bank Affordable Housing Proposal Grant Applications, Serve as Community Development Specialist providing Technical Assistance to CHDO's (Community Housing Development Organizations) and other non-profit boards, Prepare certified economic analyses for LIHTC and FmHA 515 multi-family housing projects in Tennessee and Kentucky. Facilitator for multi-state Rural Empowerment Zone Proposal Application.

Administered data input and validation for information use surveys created by King Research, Inc.; compiled and tabulated results of those surveys in basic form and for selected cross-section analysis. Created mapping system and linked data from numerous different surveys for purposed of modeling studies.

Developed and administered four surveys for The Oak Ridger and developed a subscriber/non-subscriber data base to better define the newspaper's 'City Zone.'

Developed a forecasting model for the local gas company which predicts gas demand as a function of plant size and weather variables.

Performed hiring experience study for the Tennessee Technology Foundation. The study showed hiring announcement methods of area firms as well as the firms' experience with securing quality labor and associated labor rates.

Updated the annual EIA (Energy Information Administration) Fuel Price/Usage data base for two consecutive years under sub-contract to ORNL. This included downloading the database from the Washington, DC, EIA computer system, correcting integrity problems and restoring it to their system in the 1982 time period.

Advised ETDD (East Tennessee Development District) on software/hardware requirements of upgrading their computer system for GIS (Geographic Information System) applications.

Developed CEMOR, the Community Econometric Model for Oak Ridge, a TVA/C F Systems sponsored project, including planning for and administration of field interviewers, data collection and analysis, and development of an economic input-output model for Oak Ridge.

Created numerous large data bases for economic analysis. This has involved locating sources of current data, introduction of new data, retrieval and merging of existing data obtained from different computer systems and mainframes, and testing the resulting data bases for compatibility and integrity. Documentation of the procedures for producing each data base is always treated as equally important as the creation of the base itself.

Determined state-of-the-art in personal-income models, including the availability of data for such models.

Applied various econometric models to large data bases to evaluate specific scenarios and graphical reduction of the results. Revised an existing investment econometric model to match new requirements.

Business

Serve as the grant writer / developer on HUD multi-family and group home construction projects. This includes proposal preparation, project management during construction, and supervision of financial matters through the construction audit period. Total budget responsibility for projects ranging between \$200,000 and \$4,400,000. Develop proposals for non-profit clients seeking Federal Home Loan Bank Grants and Advances, and assist them in Drawing the funds. Prepare market studies for Low Income Housing Tax Credits and other development funders. Formerly the Administrator for Contract Development, Anderson County area, for the JTPA (Job Training and Partnership Act). This was an activity contracted from the Private Industry Council by a non-profit corporation, the Committee of Fifty. My responsibilities included supervision of the Contract Developer, Disabled Training Program, Retail Training Program, and a secretary, as well as new program development and fund management. Contracts were made with County industries to hire individuals and provide training in new job skills. Total budget responsibility for FY1990 for this program exceeded \$200,000.

Local Planning

Currently involved in rural development initiatives and in the provision of housing for special needs populations. Initial involvement in local planning arose from an interest in the need for more directed development in Oak Ridge. Chaired Regional Planning Commission subcommittees for alternate sources of revenue and for revision of the zoning ordinance. The latter resulted in the development of proposed major changes in both the ordinance and in zoning philosophy. This responsibility concentrated in efforts to develop performance zoning standards based upon requirements established in the 1985 Oak Ridge Comprehensive Plan. This activity currently continues in the Oak Ridge Chamber Developers Forum. We are now studying Form Based Zoning.

Education

Served as a member of the ORAU/ORNL Pre-college Advisory Committee, a group formed in June, 1986 whose purpose it is to assist regional junior and senior high schools in science and mathematics education. This group modeled its efforts in the form of the Friends of Fermilab Association.

Served as representative for Business on the Tennessee Advisory Council for Career Education, resulting from an outspoken interest in the need for a better matching of manpower training with future manpower requirements. Participated in the development, execution, and administration of the State Plan for Career Education. This also involved annual reading of state-wide proposals from local education districts and preparation of recommendations to the Commissioner of Education for federal grant funding.

Retired from 25 year career in contracts and procurement.

Most recently Buyer at SAIC 2011-2014

Member - ADFAC Affordable Housing and Hospitality Committees

ORICL History Curriculum Committee Chair and Trip Committee Member/Leader

ORPL Volunteer

Explain why you are interested in being appointed to this board, commission or committee

I am aware that much of the housing stock in Oak Ridge is relatively aged and inefficient. I am further aware that habitable housing must meet State, Federal and local regulations and legal requirements. After joining ADFAC's affordable housing committee and following a tour of Jefferson Middle School and discussing family of needs of students who attend there, I found out that there may be a lack of livable housing that is affordable for many of the people who live and/or work in Oak Ridge and/or attend Oak Ridge City Schools and/or area institutions of higher learning. I would like to assist in rectifying this situation.

Describe any special knowledge or past experience qualifying you for this appointment?

Through my work on the ADFAC Affordable Housing Committee, I could act as liaison between the city and this agency in coordinating efforts to increase the available stock of livable and affordable housing in Oak Ridge.

Additional Information

Special Qualifications

SUSAN L. (Sue) FREDERICK
19 Asbury Lane, Oak Ridge, TN 37830
hbsuefred@yahoo.com, 714-875-8457

Do you currently serve on any other City board, commission or committee?

Education, Professional and or Community Activity

2008 - present: Member, Roane County Industrial Development Board (I live in the Roane County portion of Oak Ridge.)

- I am one of a three-member IDB "Core Team" for reviewing and recruiting prospective commercial relocations to two industrial parks in Roane County, and advising on recruitment to Horizon Park and Heritage Park in Oak Ridge.

- Many of my contributions to the Roane County IDB revolve around simply asking good questions. Within that group I have a somewhat unique background in contract law from a business perspective, so I look for potential negative and unintended consequences of terms and conditions that are being proposed. I also am good at identifying potential creative solutions to overcoming obstacles that might derail a prospective deal.

2007 - present: Member, Oak Ridge Breakfast Rotary Club

- Chairperson of the Haiti Water Project, which applied for and was awarded a Rotary District Grant for a project to produce 100 biosand water filters in Leogane, Haiti. We also applied for and were awarded a Global Grant from The Rotary International Foundation for a project to produce 1000 biosand water filters in Saint-Marc Haiti. The latter project involved coordinating participation by the Oak Ridge (noon) Rotary Club, the Oak Ridge Sunset Rotary Club, the Fairfield Glade Rotary Club, and Rotary District 6780 of East Tennessee.

- Member of the Oak Ridge Breakfast Rotary Club team that developed the "Explore Oak Ridge" project, including a smart-phone app for use by visitors and families prospectively relocating to Oak Ridge. My leadership role on that project involved negotiating terms for licensing the "Explore Oak Ridge" trademark to the Oak Ridge Convention and Visitors Bureau.

Current: Participant in the Oak Ridge "Community Matters" forums conducted by Reverends Hammond, Shelton, and Morrill. Planned further involvement includes developing a task force to promote seasonal and temporary job opportunities for Oak Ridge youth.

Previous: Various roles and responsibilities in my church, including two prior terms on the Church Council, leadership roles in fund raising events, and youth Sunday School teaching.

(Prior work experience and educational background are included as a submitted resume.)

City of Oak Ridge Board Application 2015

BoardName: Oak Ridge Housing Authority

Application Submitted

Explain why you are interested in being appointed to this board, commission or committee

I admire the accomplishments of the Oak Ridge Housing Authority, and I want to be an advocate for its continued efforts to provide housing in Oak Ridge for low-income families.

In addition I want to promote the expansion of the work of the Housing Authority in directions that will provide improved housing for middle-income families. Oak Ridge very much needs mid-priced housing that will attract middle-income homeowners in the twenty-five to forty year-old range. There is no reason why the Housing Authority cannot or should not utilize the statutorily-established tools at its disposal to promote such mid-priced housing "projects" in Oak Ridge. My goal is to work with the Board and the Housing Authority staff to pursue such opportunities.

I believe that we should learn from the redevelopment experiences of the Knoxville Community Development Corporation, which operates under the same laws as Tennessee housing authorities. That agency has been responsible for neighborhood improvement projects in Mechanicsville, Five Points, Lonsdale, and Center City and for the redevelopment of Volunteer Landing, Market Square, and the World's Fair Redevelopment Plan. Based on best practices developed by KCDC and others, the Oak Ridge Housing Authority should prepare a strategic plan for its involvement in redevelopment projects in Oak Ridge. This plan should be vetted publicly and the Housing Authority should then work with City Council to implement a productive housing redevelopment plan.

In summary, I want to be instrumental in improving residential housing in Oak Ridge, and I believe that being a member of the Housing Authority Board is one of the more effective ways for me to contribute to such improvements.

Describe any special knowledge or past experience qualifying you for this appointment?

I believe that my experience with the Roane County Industrial Development Board uniquely qualifies me for a position on the Oak Ridge Housing Authority Board. An Industrial Development Board is established to develop industrial parks. This involves property acquisitions for the creation of Industrial Parks, appraisal and assessment of real estate market value, and legal considerations based on the IDB's statutory authorities. For example, within the purview of its governing body (in this case, the Roane County Commission), an IDB has certain statutory authorities, such as selling Industrial Park property, issuing bonds, and negotiating Payment In Lieu Of Tax Agreements (PILOTS). These tools provide leverage for achieving an IDB's mission. Similarly, a Housing Authority is established to create new residential projects. Within the purview of the City of Oak Ridge, the Oak Ridge Housing Authority has certain statutory authorities, such as issuance of bonds and carrying out redevelopment projects. These tools are available to provide leverage for achieving its mission, and I believe that they are currently under-utilized. My experience in working with private and public enterprises as well as elected officials on a local Industrial Development Board will provide an effective platform for constructive participation on the Oak Ridge Housing Authority Board.

I also believe that my volunteer experience with the non-profit Oak Ridge Breakfast Rotary Club has helped prepare me for a position on the Oak Ridge Land Bank Corporation Board of Directors.

In addition, I believe that my work history in running a small business, in satisfying the requirements of Federal Government projects as an employee of a large government contractor, in working with industry to adopt technology developed at Federal research and development facilities, and in representing clients in a law practice as a Registered US Patent Agent has provided me with a wealth of practical experience in how to negotiate deals and get things done.

Goal

To be instrumental in improving residential housing in Oak Ridge.

Work Experience

Luedeka Neely Group, P.C., Knoxville, Tennessee and Oak Ridge, Tennessee

Jan. 2004 – Patent Agent: Writing and prosecuting U.S. and international patent applications, with focus
January 2013 on mechanical, electronic, chemical and environmental technologies. Editor of monthly newsletter. Internal consultant on technology licensing.

BWXT – Y-12, Oak Ridge, Tennessee and its predecessors Lockheed Martin Energy Systems, Inc., and Union Carbide Corporation

June 1989 – Director, Office of Technology Transfer: Developed creative strategies for utilizing technology
Jan. 2004 developed at Y-12 and ORNL to achieve corporate and regional strategic economic objectives. Assessed the commercial potential for new technologies developed in the course of government-sponsored research in such areas as electronics, software, mechanical designs, and chemical processes. Implemented effective technology partnership programs through technology marketing campaigns, personal networking, and the creative packaging of licenses with cooperative research and development agreements.

Sept. 1986 - Project Manager: Accelerated Vendor Inventory Delivery (AVID) system. Successfully
June 1989 managed the conception, development, and implementation of this "Just-in-Time" procurement system for materials and supplies. The system eliminated inventories, significantly improved material quality and availability, and continues to save over \$10 million per year for three Oak Ridge sites. Work was based at the K-25 Plant in Oak Ridge.

March 1985 - Manager: Planning, Regulation, and Administration of the Telecommunications Department.
Sept. 1986 Ensured that data communications systems met company and government requirements. Work site was the K-25 Plant in Oak Ridge.

March 1976 - Project Engineer: Gas Centrifuge Enrichment Plant. Ensured that the design requirements
March 1985 for the principal high technology assembly (the centrifuge) were clear and understood by the manufacturers. Work was based at the K-25 Plant in Oak Ridge. Prior to this project, worked on a program for safe disposal of nuclear waste as the project controls manager.

Elographics, Inc., Oak Ridge, Tennessee

Jan. 1974 - President and Chief Executive Officer: manufacturer of computer peripheral equipment.
Jan. 1976 Developed the successful growth strategy and marketing direction for this small company, increasing sales ten-fold. Elographics was eventually sold to Raychem Corporation.

Hughes Aircraft Company, Culver City, California

June 1969 - Member: management development program. Various assignments in finance, production
Jan. 1974 control, marketing, and business development.

Education

Stanford University, Stanford, California

Sept. 1967 - Masters in Business Administration awarded in June, 1969.
June, 1969

Iowa State University, Ames, Iowa

Sept. 1962 - Bachelor of Science degrees in Aerospace Engineering and Engineering Operations awarded
June, 1967 in June, 1967.

Interests

Haiti humanitarian projects, Rotary service club projects; gardening, and golf,

To Whom It May Concern:

Jim Palmer has served on the Industrial Development Board of Roane County for several years. It has been an honor to work with him since I was hired in my position in March, 2014.

Jim is a valued member of our team, a dependable participant, and a very knowledgeable and practical resource for counsel and advice. His insight and approach has certainly guided many important decisions regarding new prospective projects and existing business expansions.

In fact, prior to Jim's appointment to the IDB of Roane County by the Roane County Commission, the appointments had always been allocated by community. Kingston received 3 appointments as did Harriman and Rockwood. As a resident of Oak Ridge, Jim's appointment broke that longstanding tradition. The respect he has garnered since his appointment has changed the way the Roane County Commission approaches its committee appointments.

I wholeheartedly recommend Jim Palmer as a member of any committee, group or team in Oak Ridge. The city and area will be the beneficiary from his volunteer service.

Respectfully,

A handwritten signature in blue ink that reads "Wade Creswell".

Letter of Recommendation for the Oak Ridge City Board Appointment of Jim Palmer

I am writing to endorse the appointment of Jim Palmer to the Oak Ridge Land Bank Corporation Board of Directors and/or the Oak Ridge Housing Authority Board of Directors. I have known Jim for over thirty years as a friend, as a parent of a friend of my daughter, and on two occasions as a business client.

I have always found Jim to be of the highest integrity, diligent in whatever he undertakes, and very sensible in working with others. He would be a great member of the Land Bank and the Housing Authority Boards, for which he has applied.

Sincerely,

Peggy Hanrahan

Letter of Recommendation for Jim Palmer

I am writing to support the appointment of Jim Palmer to the Oak Ridge Land Bank Corporation Board of Directors and/or the Oak Ridge Housing Authority Board of Directors. I have known Jim since I returned to Oak Ridge and joined Rotary in 2009. Jim is an outstanding citizen of Oak Ridge who wants to see our City grow and prosper. He is results focused, with strong perseverance and tremendous leadership skills. Within Rotary, he has led our efforts to secure two grants for building and installing water filters in Haiti. As a result of that work this summer he was named our Club's "Rotarian of the Year." He has also worked on our Club's "Explore Oak Ridge" project and on our project to distribute dictionaries to third graders in all Anderson County elementary schools. From my current role on the City Municipal Planning Commission, and in my role as an engaged citizen within Oak Ridge, I see the need for strong leaders to engage in all our boards. I am confident that he would be an excellent addition to either the Oak Ridge Land Bank or the Oak Ridge Housing Authority Boards and urge you to appoint him to one of these boards.

Sincerely,

A handwritten signature in black ink that reads "Austin Lance". The signature is written in a cursive style with a large, stylized initial "A".

Letter of Recommendation for the Oak Ridge City Board Appointment of Mr. Jim Palmer

I would like to endorse the appointment of Mr. Jim Palmer to the Oak Ridge Land Bank Corporation Board of Directors and/or the Oak Ridge Housing Authority Board of Directors. I have known Jim for about six years during which time we worked together on a project to provide water filters for families in Haiti. I found Jim to be a person of incredible dedication to accomplish a task that seemed to encounter a never-ending procession of obstacles. As a result of these unforeseeable obstacles the timeline for project stretched out beyond anyone's original expectation. However, Jim maintained a continued stream of communication with all of the stake-holders, and as a result everyone kept the faith until the project became a tremendous success.

I urge you to appoint Jim to either or both of the two Oak Ridge Boards for which he has applied.

Sincerely,

To: Whom it May Concern
Re: Letter of Recommendation for the Oak Ridge City Board Appointment of Jim Palmer
Date: November 19th, 2015

I am writing to endorse the appointment of Jim Palmer to the Oak Ridge Land Bank Corporation Board of Directors and/or the Oak Ridge Housing Authority Board of Directors. I have known Jim since he joined Rotary in 2007. Jim is a dedicated citizen of Oak Ridge, and he is a wonderful asset to our city. Jim has been a tireless worker and leader for our Club's clean water project in Haiti. He demonstrated tenacity and dedication, despite political and logistical problems, during a multi year process of getting our clean water project off the ground. His sensitivity to basic human needs, his ability to creatively address such needs, and his ability to organize the support of our members have resulted in the award of two highly successful grants to our Rotary Club for work in Haiti. He not only resurrected a project that many people thought was "dead", he has made that project such a success that our club is now considering an expansion of the project for the coming year.

Jim has also been an active participant in other Club activities, such as the "Explore Oak Ridge" project and our third grade dictionary project. Jim approaches every project that he commits himself to with dedication and focus, and he can be trusted to follow through on his obligations. Every city should be so fortunate to have citizens such as Jim who are willing and able to dedicate themselves to the service of others. I highly recommend him, without reservation, to either of the two Oak Ridge Boards for which his application has been submitted.

Please feel comfortable in contacting me at your convenience if you have any questions concerning Jim's application.

Sincerely,

Brenda Thornburgh

Current Company/Organization
UT-Battelle, LLC

Current Position / Title
Purchasing Manager, Operations and Commercial

Retired? Company / Organization Retired From

Do you currently serve on any other City board, commission or committee?

Education, Professional and or Community Activity

I am a board member for the East Tennessee Chapter of the National Contract Management Association where I serve as the chair of the Public Relations Committee. I am the Chair-Elect of the Dept. of Energy's Integrated Contractor Purchasing Team, which is a committee of procurement professionals within the DOE community dedicated to driving cost savings by leveraging DOE's spending power.

Explain why you are interested in being appointed to this board, commission or committee

I began traveling to Oak Ridge in 2009 in my capacity of Program Manager at the Pantex Plant, Y-12's sister plant within NNSA. I was originally fascinated with the history and heritage of Oak Ridge, but over time I fell in love with Oak Ridge as it is today. I moved here with my family in 2011. Oak Ridge offers an incredible quality of life, but, like any city, it has challenges. We should be the place that DOE workers want to live, but we're not. Like many fellow Oak Ridgers I see commerce, housing and taxes as the main issues that are making Oak Ridge less attractive. Three issues that are intrinsically related. This is not a guess or anecdotal, I weighed these things when I moved here and my Pantex colleagues moving to the area do as well. I want to be appointed to the planning commission because I want to be part of tipping the scales in Oak Ridge's favor. I think we're heading in the right direction and want to give of my time to help in any way that is needed. I believe in Oak Ridge.

Describe any special knowledge or past experience qualifying you for this appointment?

I have been a procurement professional since 1994. I have a strong understanding of contracts and services, including A&E, construction, engineering and consulting. I have purchased a home in Oak Ridge in the past five years and have a good understanding of the neighborhoods within the city and the challenges of each.

Member: Tennessee Council on School Community Partnerships; Previously, Tennessee Advisory Council for Career Education, Tennessee Department of Education; Charter appointment beginning February, 1977 in TN in response to U. S. Public Law 95-207 (12/13/77). Chairman and member of several task forces; developed Tennessee Plan for Career Education; grant reader, and chair for regional grant reviews.
President: Oak Ridge PTA Council, 1977-1978.
Secretary: Superintendent Selection Committee, Spring, 1978.
President: Jefferson Junior-High School PTA, 1976-1977.

AREAS OF EXPERIENCE

Economic

Work as Housing Consultant / Developer on HUD-202 elderly multi-family housing applications, HUD-811 Supportive Housing for Persons with Disabilities, and HUD 221(d)(3) housing applications. Prepare Emergency Shelter Grant Applications, Community Development Block Grant Applications, HOME grant Applications, and Federal Home Loan Bank Affordable Housing Proposal Grant Applications, Serve as Community Development Specialist providing Technical Assistance to CHDO's (Community Housing Development Organizations) and other non-profit boards, Prepare certified economic analyses for LIHTC and FmHA 515 multi-family housing projects in Tennessee and Kentucky. Facilitator for multi-state Rural Empowerment Zone Proposal Application.

Administered data input and validation for information use surveys created by King Research, Inc.; compiled and tabulated results of those surveys in basic form and for selected cross-section analysis. Created mapping system and linked data from numerous different surveys for purposed of modeling studies.

Developed and administered four surveys for The Oak Ridger and developed a subscriber/non-subscriber data base to better define the newspaper's 'City Zone.'

Developed a forecasting model for the local gas company which predicts gas demand as a function of plant size and weather variables.

Performed hiring experience study for the Tennessee Technology Foundation. The study showed hiring announcement methods of area firms as well as the firms' experience with securing quality labor and associated labor rates.

Updated the annual EIA (Energy Information Administration) Fuel Price/Usage data base for two consecutive years under sub-contract to ORNL. This included downloading the database from the Washington, DC, EIA computer system, correcting integrity problems and restoring it to their system in the 1982 time period.

Advised ETDD (East Tennessee Development District) on software/hardware requirements of upgrading their computer system for GIS (Geographic Information System) applications.

Developed CEMOR, the Community Econometric Model for Oak Ridge, a TVA/C F Systems sponsored project, including planning for and administration of field interviewers, data collection and analysis, and development of an economic input-output model for Oak Ridge.

Created numerous large data bases for economic analysis. This has involved locating sources of current data, introduction of new data, retrieval and merging of existing data obtained from different computer systems and mainframes, and testing the resulting data bases for compatibility and integrity. Documentation of the procedures for producing each data base is always treated as equally important as the creation of the base itself.

Determined state-of-the-art in personal-income models, including the availability of data for such models.

Applied various econometric models to large data bases to evaluate specific scenarios and graphical reduction of the results. Revised an existing investment econometric model to match new requirements.

Business

Serve as the grant writer / developer on HUD multi-family and group home construction projects. This includes proposal preparation, project management during construction, and supervision of financial matters through the construction audit period. Total budget responsibility for projects ranging between \$200,000 and \$4,400,000. Develop proposals for non-profit clients seeking Federal Home Loan Bank Grants and Advances, and assist them in Drawing the funds. Prepare market studies for Low Income Housing Tax Credits and other development funders. Formerly the Administrator for Contract Development, Anderson County area, for the JTPA (Job Training and Partnership Act). This was an activity contracted from the Private Industry Council by a non-profit corporation, the Committee of Fifty. My responsibilities included supervision of the Contract Developer, Disabled Training Program, Retail Training Program, and a secretary, as well as new program development and fund management. Contracts were made with County industries to hire individuals and provide training in new job skills. Total budget responsibility for FY1990 for this program exceeded \$200,000.

Local Planning

Currently involved in rural development initiatives and in the provision of housing for special needs populations. Initial involvement in local planning arose from an interest in the need for more directed development in Oak Ridge. Chaired Regional Planning Commission subcommittees for alternate sources of revenue and for revision of the zoning ordinance. The latter resulted in the development of proposed major changes in both the ordinance and in zoning philosophy. This responsibility concentrated in efforts to develop performance zoning standards based upon requirements established in the 1985 Oak Ridge Comprehensive Plan. This activity currently continues in the Oak Ridge Chamber Developers Forum. We are now studying Form Based Zoning.

Education

Served as a member of the ORAU/ORNL Pre-college Advisory Committee, a group formed in June, 1986 whose purpose it is to assist regional junior and senior high schools in science and mathematics education. This group modeled its efforts in the form of the Friends of Fermilab Association.

Served as representative for Business on the Tennessee Advisory Council for Career Education, resulting from an outspoken interest in the need for a better matching of manpower training with future manpower requirements. Participated in the development, execution, and administration of the State Plan for Career Education. This also involved annual reading of state-wide proposals from local education districts and preparation of recommendations to the Commissioner of Education for federal grant funding.

Explain why you are interested in being appointed to this board, commission or committee

The Land Bank Corporation is a unique institution, fitting with Oak Ridge's unique development history. I have lived here for five years and yet I continue to learn from others that developed areas within the city include a variety of ages, values and styles and are distributed over a wide geographical range. These many parts of Oak Ridge are still a Secret City to me, though I have made additional efforts recently to broaden my search to find and explore them.

Describe any special knowledge or past experience qualifying you for this appointment?

I could provide a fresh perspective re potential types of land development based on personal experience and observation of development activities in my previous areas of residence. I grew up in coastal Southern California, where developable land is scarce and therefore requires efficient development for a range of purposes. I lived in Brentwood, TN, for several years, and I would like to see a broader range of developments here than those I found there.

Additional Information

Special Qualifications

SUSAN L. (Sue) FREDERICK
19 Asbury Lane, Oak Ridge, TN 37830
hbsuefred@yahoo.com, 714-875-8457

OBJECTIVES

- Redirect manufacturing and government career experience/skills to customer/consumer service position
- Maintain integrity and highest priority of providing excellent customer service across levels and functions
- Apply and expand my interpersonal, organizational, technical, management and analytical skills
- Contribute to my organization and community

PROFESSIONAL PROFILE

- Performed all contract phases from definition through completion and close-out
- Managed foreign and domestic research/development and production orders

Explain why you are interested in being appointed to this board, commission or committee

Working with the Land Bank is one of the most rewarding experiences in my community service endeavors. I believe in the mission of the Land Bank. It can play a critical role in addressing blight and improving the quality of housing in our Legacy Housing neighborhoods. The Land Bank has made significant progress in its inaugural years. I feel that this is due to the diligent work of the board members in concert with the City of Oak Ridge staff. To date, the Land Bank has established operational policies and procedures, acquired 25 properties, sold two lots, refurbished and sold a home, provided two lots to ADFAC for development. The Land Bank has also conducted two community forums to investigate partnerships and educate

See attached resume.

Explain why you are interested in being appointed to this board, commission or committee

As a long-term resident of Oak Ridge, I currently own several properties. Some of these are of the WWII era and one of the properties is being renovated to comply with guidance established by the City of Oak Ridge some years ago. I am firmly committed to the Land Bank goals and objectives and the "Not in Our City" initiatives of upgrades and improvement and the identification and elimination of blighted and improperly maintained properties within our city. Serving on this board would allow me to further my interest and commitment to the establishment of viable and achievable standards and in the planning and execution of logical approaches toward the disposition of substandard, abandoned, or run-down properties within the City of Oak Ridge.

Describe any special knowledge or past experience qualifying you for this appointment?

Project management to include analysis, research, planning, milestone development, reporting, resolution monitoring, asset management and allocation, and other skills detailed on the attached resume.

Education, Professional and or Community Activity

High School College Trade School 41 years of continuing education for automotive technology. This is one of just a few industries that change on a rapid pace that demands constant retraining. Active in my church. Hardin Valley Church of Christ I ran for Anderson County Commissioner District # 7 Last election and came in third of 6 candidates that were running in District # 7 . I mention this because of the experience and the many citizens that I met and learned their concerns for or wonderful city. My wife and I own M and W Auto Repair here in Oak Ridge .We have been a supported of our community and sports here for the 26 years that we have been in business. Il have also coached and served on the Girls Incorporated Board of Directors. I served as executive director for Oak Ridge Elks Lodge for 3 terms.

Explain why you are interested in being appointed to this board, commission or committee

I am a native Oak Ridger and have been active in our community for many years. While campaigning for the Anderson County Commissioners seat I met with so many citizens and know their needs and desires. I was born in 1952 and have seen first hand the many changes that our great city has went through and want to be a part of its continued growth. I am willing and eager to work with the others on the Planning Commission

Education, Professional and or Community Activity

2008 - present: Member, Roane County Industrial Development Board (I live in the Roane County portion of Oak Ridge.)

- I am one of a three-member IDB "Core Team" for reviewing and recruiting prospective commercial relocations to two industrial parks in Roane County, and advising on recruitment to Horizon Park and Heritage Park in Oak Ridge.

- Many of my contributions to the Roane County IDB revolve around simply asking good questions. Within that group I have a somewhat unique background in contract law from a business perspective, so I look for potential negative and unintended consequences of terms and conditions that are being proposed. I also am good at identifying potential creative solutions to overcoming obstacles that might derail a prospective deal.

2007 - present: Member, Oak Ridge Breakfast Rotary Club

- Chairperson of the Haiti Water Project, which applied for and was awarded a Rotary District Grant for a project to produce 100 biosand water filters in Leogane, Haiti. We also applied for and were awarded a Global Grant from The Rotary International Foundation for a project to produce 1000 biosand water filters in Saint-Marc Haiti. The latter project involved coordinating participation by the Oak Ridge (noon) Rotary Club, the Oak Ridge Sunset Rotary Club, the Fairfield Glade Rotary Club, and Rotary District 6780 of East Tennessee.

- Member of the Oak Ridge Breakfast Rotary Club team that developed the "Explore Oak Ridge" project, including a smart-phone app for use by visitors and families prospectively relocating to Oak Ridge. My leadership role on that project involved negotiating terms for licensing the "Explore Oak Ridge" trademark to the Oak Ridge Convention and Visitors Bureau.

Current: Participant in the Oak Ridge "Community Matters" forums conducted by Reverends Hammond, Shelton, and Morrill. Planned further involvement includes developing a task force to promote seasonal and temporary job opportunities for Oak Ridge youth.

Previous: Various roles and responsibilities in my church, including two prior terms on the Church Council, leadership roles in fund raising events, and youth Sunday School teaching.

(Prior work experience and educational background are included as a submitted resume.)

Explain why you are interested in being appointed to this board, commission or committee

I believe that the Land Bank has begun to achieve its potential of playing a major role in the revitalization of housing in Oak Ridge. A critical part of this process is the development of partnerships with banks, realtors, and developers. We need to promote the aggregation of adjacent or nearly-adjacent properties by the Land Bank where the accumulated value of such acquisitions is greater than the cost of the individual parcels. Such combined properties can then be sold by the Land Bank to commercial developers for the construction of mid-priced housing. This will attract middle-income homeowners in the twenty-five to forty year-old range that Oak Ridge so very much needs. The Land Bank should also continue to acquire individual properties that can be rehabilitated by private contractors and returned to private ownership in the ongoing effort to improve local neighborhoods.

I believe that the Land Bank should take a close look at the new Kroger Center retail development in Oak Ridge, and understand what went well and what didn't. On the positive side, this retail center was developed without any government interdiction or use of any public funds. Of concern is whether historical structures were lost and whether people were inappropriately displaced from their homes. In any case, because the economic return on a housing development is not as attractive to a developer as the return on a retail development, some motivation by a city agency such as the Land Bank is likely needed to trigger a residential development of a size comparable to the Kroger Center. The Land Bank could play the role of offering "seed-properties" for a housing development of similar scope.

I would like to help Oak Ridge leverage the environment created by the Oak Ridge City Center to promote the development of improved housing in adjacent areas. For example, the Woodland community may offer an opportunity for the Land Bank to aggregate some properties that could provide an incentive for a new housing development.

The Manhattan Apartments are a relatively low-density housing development that could attract investment to build new higher-density, more profitable housing units. The Land Bank may not be capable of being an active partner in such a development, but I believe that the Land Bank should encourage such development with the acquisition of peripheral properties and convert them to higher-value usage.

Based on these considerations and insights that can be gleaned from the experiences of other land banks around the country the Oak Ridge Land Bank Corporation should prepare a strategic plan for its involvement in redevelopment projects in Oak Ridge. This plan should be vetted publicly and the Land Bank should then work with City Council to implement a productive housing redevelopment plan.

In summary, I want to be an instrument for improving mid-level residential housing in Oak Ridge, and I believe that being a member of the Land Bank Board is the most effective way for me to contribute to such improvements.

Describe any special knowledge or past experience qualifying you for this appointment?

I believe that my experience with the Roane County Industrial Development Board uniquely qualifies me for a position on the Oak Ridge Land Bank Corporation Board. An Industrial Development Board is established to create new industrial investments. This involves property acquisitions for the creation of Industrial Parks, appraisal and assessment of real estate market value, and legal considerations based on the IDB's statutory authorities. For example, within the purview of its governing body (in this case the Roane County Commission), an IDB has certain statutory authorities, such as buying and selling Industrial Park property, issuing bonds, and negotiating Payment In Lieu Of Tax Agreements (PILOTS). These tools provide leverage for achieving the IDB's mission. Similarly, a Land Bank is established to attract new residential investments. It has certain statutory authorities, such as acceptance of tax-deductible gifts of property and selling properties that it has acquired, which provide leverage for achieving its mission. My experience in working with private and public enterprises as

well as elected officials while serving on a local Industrial Development Board will provide an effective platform for constructive participation on the Oak Ridge Land Bank Corporation Board.

I also believe that my volunteer experience with the non-profit Oak Ridge Breakfast Rotary Club has helped prepare me for a position on the Oak Ridge Land Bank Corporation Board of Directors.

In addition, I believe that my work history in running a small business, in satisfying the requirements of Federal Government projects as an employee of a large government contractor, in working with industry to adopt technology developed at Federal research and development facilities, and in representing clients in a law practice as a Registered US Patent Agent has provided me with a wealth of practical experience in how to negotiate deals and get things done.

In summary, I want to be instrumental in improving housing in Oak Ridge, and I believe that being a member of the Land Bank Corporation Board is one of the more effective ways for me to contribute to such improvements.

Goal

To be instrumental in improving residential housing in Oak Ridge.

Work Experience

Luedeka Neely Group, P.C., Knoxville, Tennessee and Oak Ridge, Tennessee

Jan. 2004 – **Patent Agent:** Writing and prosecuting U.S. and international patent applications, with focus
January 2013 on mechanical, electronic, chemical and environmental technologies. Editor of monthly newsletter. Internal consultant on technology licensing.

BWXT – Y-12, Oak Ridge, Tennessee and its predecessors Lockheed Martin Energy Systems, Inc., and Union Carbide Corporation

June 1989 – **Director, Office of Technology Transfer:** Developed creative strategies for utilizing technology
Jan. 2004 developed at Y-12 and ORNL to achieve corporate and regional strategic economic objectives. Assessed the commercial potential for new technologies developed in the course of government-sponsored research in such areas as electronics, software, mechanical designs, and chemical processes. Implemented effective technology partnership programs through technology marketing campaigns, personal networking, and the creative packaging of licenses with cooperative research and development agreements.

Sept. 1986 - **Project Manager:** Accelerated Vendor Inventory Delivery (AVID) system. Successfully
June 1989 managed the conception, development, and implementation of this "Just-in-Time" procurement system for materials and supplies. The system eliminated inventories, significantly improved material quality and availability, and continues to save over \$10 million per year for three Oak Ridge sites. Work was based at the K-25 Plant in Oak Ridge.

March 1985 - **Manager:** Planning, Regulation, and Administration of the Telecommunications Department.
Sept. 1986 Ensured that data communications systems met company and government requirements. Work site was the K-25 Plant in Oak Ridge.

March 1976 - **Project Engineer:** Gas Centrifuge Enrichment Plant. Ensured that the design requirements
March 1985 for the principal high technology assembly (the centrifuge) were clear and understood by the manufacturers. Work was based at the K-25 Plant in Oak Ridge. Prior to this project, worked on a program for safe disposal of nuclear waste as the project controls manager.

Elographics, Inc., Oak Ridge, Tennessee

Jan. 1974 - **President and Chief Executive Officer:** manufacturer of computer peripheral equipment.
Jan. 1976 Developed the successful growth strategy and marketing direction for this small company, increasing sales ten-fold. Elographics was eventually sold to Raychem Corporation.

Hughes Aircraft Company, Culver City, California

June 1969 - **Member:** management development program. Various assignments in finance, production
Jan. 1974 control, marketing, and business development.

Education

Stanford University, Stanford, California

Sept. 1967 - **Masters in Business Administration** awarded in June, 1969.
June, 1969

Iowa State University, Ames, Iowa

Sept. 1962 - **Bachelor of Science** degrees in Aerospace Engineering and Engineering Operations awarded
June, 1967 in June, 1967.

Interests

Haiti humanitarian projects, Rotary service club projects; gardening, and golf,

To Whom It May Concern:

Jim Palmer has served on the Industrial Development Board of Roane County for several years. It has been an honor to work with him since I was hired in my position in March, 2014.

Jim is a valued member of our team, a dependable participant, and a very knowledgeable and practical resource for counsel and advice. His insight and approach has certainly guided many important decisions regarding new prospective projects and existing business expansions.

In fact, prior to Jim's appointment to the IDB of Roane County by the Roane County Commission, the appointments had always been allocated by community. Kingston received 3 appointments as did Harriman and Rockwood. As a resident of Oak Ridge, Jim's appointment broke that longstanding tradition. The respect he has garnered since his appointment has changed the way the Roane County Commission approaches its committee appointments.

I wholeheartedly recommend Jim Palmer as a member of any committee, group or team in Oak Ridge. The city and area will be the beneficiary from his volunteer service.

Respectfully,

A handwritten signature in blue ink that reads "Wade Creswell".

Letter of Recommendation for the Oak Ridge City Board Appointment of Jim Palmer

I am writing to endorse the appointment of Jim Palmer to the Oak Ridge Land Bank Corporation Board of Directors and/or the Oak Ridge Housing Authority Board of Directors. I have known Jim for over thirty years as a friend, as a parent of a friend of my daughter, and on two occasions as a business client.

I have always found Jim to be of the highest integrity, diligent in whatever he undertakes, and very sensible in working with others. He would be a great member of the Land Bank and the Housing Authority Boards, for which he has applied.

Sincerely,

Peggy Hanrahan

Letter of Recommendation for Jim Palmer

I am writing to support the appointment of Jim Palmer to the Oak Ridge Land Bank Corporation Board of Directors and/or the Oak Ridge Housing Authority Board of Directors. I have known Jim since I returned to Oak Ridge and joined Rotary in 2009. Jim is an outstanding citizen of Oak Ridge who wants to see our City grow and prosper. He is results focused, with strong perseverance and tremendous leadership skills. Within Rotary, he has led our efforts to secure two grants for building and installing water filters in Haiti. As a result of that work this summer he was named our Club's "Rotarian of the Year." He has also worked on our Club's "Explore Oak Ridge" project and on our project to distribute dictionaries to third graders in all Anderson County elementary schools. From my current role on the City Municipal Planning Commission, and in my role as an engaged citizen within Oak Ridge, I see the need for strong leaders to engage in all our boards. I am confident that he would be an excellent addition to either the Oak Ridge Land Bank or the Oak Ridge Housing Authority Boards and urge you to appoint him to one of these boards.

Sincerely,

A handwritten signature in black ink that reads "Austin Lance". The signature is written in a cursive, flowing style.

Letter of Recommendation for the Oak Ridge City Board Appointment of Mr. Jim Palmer

I would like to endorse the appointment of Mr. Jim Palmer to the Oak Ridge Land Bank Corporation Board of Directors and/or the Oak Ridge Housing Authority Board of Directors. I have known Jim for about six years during which time we worked together on a project to provide water filters for families in Haiti. I found Jim to be a person of incredible dedication to accomplish a task that seemed to encounter a never-ending procession of obstacles. As a result of these unforeseeable obstacles the timeline for project stretched out beyond anyone's original expectation. However, Jim maintained a continued stream of communication with all of the stake-holders, and as a result everyone kept the faith until the project became a tremendous success.

I urge you to appoint Jim to either or both of the two Oak Ridge Boards for which he has applied.

Sincerely,

To: Whom it May Concern
Re: Letter of Recommendation for the Oak Ridge City Board Appointment of Jim Palmer
Date: November 19th, 2015

I am writing to endorse the appointment of Jim Palmer to the Oak Ridge Land Bank Corporation Board of Directors and/or the Oak Ridge Housing Authority Board of Directors. I have known Jim since he joined Rotary in 2007. Jim is a dedicated citizen of Oak Ridge, and he is a wonderful asset to our city. Jim has been a tireless worker and leader for our Club's clean water project in Haiti. He demonstrated tenacity and dedication, despite political and logistical problems, during a multi year process of getting our clean water project off the ground. His sensitivity to basic human needs, his ability to creatively address such needs, and his ability to organize the support of our members have resulted in the award of two highly successful grants to our Rotary Club for work in Haiti. He not only resurrected a project that many people thought was "dead", he has made that project such a success that our club is now considering an expansion of the project for the coming year.

Jim has also been an active participant in other Club activities, such as the "Explore Oak Ridge" project and our third grade dictionary project. Jim approaches every project that he commits himself to with dedication and focus, and he can be trusted to follow through on his obligations. Every city should be so fortunate to have citizens such as Jim who are willing and able to dedicate themselves to the service of others. I highly recommend him, without reservation, to either of the two Oak Ridge Boards for which his application has been submitted.

Please feel comfortable in contacting me at your convenience if you have any questions concerning Jim's application.

Sincerely,

Current Company/Organization

UT-Battelle, LLC

Current Position / Title

Purchasing Manager, Operations and Commercial

Retired? Company / Organization Retired From

Do you currently serve on any other City board, commission or committee?

Education, Professional and or Community Activity

I am a board member for the East Tennessee Chapter of the National Contract Management Association where I serve as the chair of the Public Relations Committee. I am the Chair-Elect of the Dept. of Energy's Integrated Contractor Purchasing Team, which is a committee of procurement professionals within the DOE community dedicated to driving cost savings by leveraging DOE's spending power.

Explain why you are interested in being appointed to this board, commission or committee

I began traveling to Oak Ridge in 2009 in my capacity of Program Manager at the Pantex Plant, Y-12's sister plant within NNSA. I was originally fascinated with the history and heritage of Oak Ridge, but over time I fell in love with Oak Ridge as it is today. I moved here with my family in 2011. Oak Ridge offers an incredible quality of life, but, like any city, it has challenges. We should be the place that DOE workers want to live, but we're not. Like many fellow Oak Ridgers I see commerce, housing and taxes as the main issues that are making Oak Ridge less attractive. Three issues that are intrinsically related. This is not a guess or anecdotal, I weighed these things and my Pantex colleagues moving to the area do as well. I want to be appointed to the planning commission because I want to be part of tipping the scales in Oak Ridge's favor. I think we're heading in the right direction and want to give of my time to help in any way that is needed. I believe in Oak Ridge.

Describe any special knowledge or past experience qualifying you for this appointment?

I have been a procurement professional since 1994. I have a strong understanding of contracts and services, including A&E, construction, engineering and consulting. I also have a deep understanding of how both DOE and NNSA operate at a programmatic level, which I think would be useful for planning Oak Ridge's future.

Do you currently serve on any other City board, commission or committee?
--

Education, Professional and or Community Activity

Currently serve as TN Achieves/Promise mentor for Roane County, previous mentor for Oak Ridge High School.

Previously served on Traffic Safety Advisory Board including role as Secretary.

Previously served on Oak Ridge Municipal Planning Commission

Explain why you are interested in being appointed to this board, commission or committee
--

I am a graduate of Leadership Oak Ridge class of 2011 which sparked an interest in getting involved in the Oak Ridge community. I served on the Traffic Safety Advisory Board for two years since that is related to my profession as a safety manager for ORNL. My interest in the Planning Commission comes from my desire to be a thought leader in this community around our economic future - for retail and business development. I believe this City has a viable economic future that should not be supported only on the backs of property owners.

Describe any special knowledge or past experience qualifying you for this appointment?
--

Previously served on Oak Ridge Municipal Planning Commission and therefore accomplished hours of professional development credits necessary to serve as a planning commissioner.

Current Position / Title

Retired? Company / Organization Retired From

Do you currently serve on any other City board, commission or committee?

Education, Professional and or Community Activity

See attached resume.

Explain why you are interested in being appointed to this board, commission or committee

As a 25 year resident of Oak Ridge who plans to remain here permanently, I would like to play an active role and have some input into where we are headed as a community. Much of my working life both as an Army Combat Arms Officer and later as a Security Manager in the Oak Ridge complex has been spent analyzing, identifying, and resolving difficult and complex issues. There are certainly many of these issues and challenges facing the City of Oak Ridge both now and in the future. I believe that while it is important to remember and learn from past achievements, we, as a city, perhaps, spend too much time on this and not enough time focusing on the future and the opportunities presented by looking forward. I want to be a part of that move and see us succeed as a community.

Describe any special knowledge or past experience qualifying you for this appointment?

Project management to include analysis, research, planning, milestone development, reporting, resolution monitoring, asset management and allocation, and other skills detailed on the attached resume.

Do you currently serve on any other City board, commission or committee?

Education, Professional and or Community Activity

High School College Trade School 41 years of continuing education for automotive technology. This is one of just a few industries that change on a rapid pace that demands constant retraining. Active in my church. Hardin Valley Church of Christ I ran for Anderson County Commissioner District # 7 Last election and came in third of 6 candidates that were running in District # 7 . I mention this because of the experience and the many citizens that I met and learned their concerns for or wonderful city. My wife and I own M and W Auto Repair here in Oak Ridge .We have been a supported of our community and sports here for the 26 years that we have been in business. Il have also coached and served on the Girls Incorporated Board of Directors. i served as executive director of the Oak Ridge Elks Lodge for 3 terms.

Explain why you are interested in being appointed to this board, commission or committee

I am a native Oak Ridger and have been active in our community for many years. While campaigning for the Anderson County Commissioners seat I met with so many citizens and know their needs and desires. I was born in 1952 and have seen first hand the many changes that our great city has went through and want to be a part of its continued growth. I am willing and eager to work with the others on the Planning Commission.

Describe any special knowledge or past experience qualifying you for this appointment?

Education, Professional and or Community Activity

Oak Ridge National Laborator - Directorate Operations Manager, Neutron Sciences (High Flux Isotope Reactor and Spallation Neutron Source).

Masters Degree in Environmental (Civil) Engineering, Washington State University. Bachelors Degree in Chemical Engineering, University of Nevada.

Class of 2015, Leadership Oak Ridge Program.

Explain why you are interested in being appointed to this board, commission or committee

During this past year with the Leadership Oak Ridge Program, and having lived in Oak Ridge from 2001-2005, returning with my family in 2013, it is more apparent that the City has challenges related to economic development and commercial infrastructure. I believe I can support and add value to the City in serving on the Municipal Planning Commission, with my background in large (multi-million / billion + dollar) DOE projects, and current understanding of the potential for future capital infrastructure projects at Y-12 and ORNL.

Describe any special knowledge or past experience qualifying you for this appointment?

I am very comfortable with municipal codes and standards, working with regulations and regulatory environments, as well as working with City staff and boards. I believe I am a good public speaker. I also have experience with large construction projects, from design and submittal management, to actual field construction.

Additional Information

Special Qualifications

Hans Vogel

**Directorate Operations Manager
Neutron Sciences Directorate - ORNL**

Hans Vogel is the Directorate Operations Manager, Neutron Sciences Directorate, at the Oak Ridge National Laboratory (ORNL), leading the team responsible for the operations support functions for the roughly 750 person organization, and integration with the neutron science mission of the Directorate and related ORNL operations. The Neutron Sciences Directorate operates two of the Department of Energy's "National User Facilities," the Spallation Neutron Source (SNS) and the High Flux Isotope Reactor (HFIR).

Hans has over 20 years of progressive experience working in technical, operations, management, and project capacities in the nuclear field. He served Nuclear Systems Division Director for US ITER Project Office at ORNL, responsible for the Tokamak Cooling Water System, the Tokamak Exhaust Processing System, Electron Cyclotron Transmission Lines, Ion Cyclotron Transmission Lines, Pellet Injection, and Disruption Mitigation for the fusion reactor experiment in France. Prior to his return to ORNL in 2013, he worked at Pacific Northwest National Laboratory (PNNL) as a Senior Project Manager within the Strategic Projects Division, and completed a 22-month "Intergovernmental Personnel Assignment" with DOE's Office of River Protection, Waste Treatment Plant (WTP) Project. His role was as the Nuclear and Environment, Safety, and Health (ESH) Program Manager, as well as the technical response liaison with the Defense Nuclear Facilities Safety Board for the WTP Project.

Hans' other project experience includes his role as the ESH and Startup and Readiness Manager for the Capabilities Replacement Laboratories Project at PNNL, a DOE/DHS/NNSA capital line item project. He also served in the roles of the Operations Manager for the National Security Directorate, and the Integrated Safety Management Program Manager at PNNL until transferring to ORNL in 2001, where he managed the Nuclear Facilities Safety Services group from 2001 to mid-2003. During this time Hans was responsible for the development and implementation of 10 CFR 830, subpart B nuclear safety basis documents for the ORNL nuclear facilities. He then served as the HFIR ESH&Q Manager until returning to PNNL in 2005.

Hans is a certified Project Management Professional (PMP) and maintains other job related certifications and clearances. He has a BS in Chemical Engineering from the University of Nevada-Reno and a MS in Environmental Engineering from Washington State University, and was awarded the Washington State University, Tri-Cities Distinguished Alumnus of the Year in 2015.

Dear Hiring Manager:

I have recently completed my Bachelor of Science degree in Business; with a concentration in Project Management, and I am pursuing employment as an entry level project manager. I plan to continue my education after I get settled into a position in project management.

The following points highlight what I bring to you:

- Bachelor of Science in Business with a concentration in Project Management, 3.52 GPA.
- Delta Mu Delta International Honor Society Member
- East Tennessee Project Management Institute member since April 2013.
- Excellent computer knowledge and skills.
- A solid reputation as a hard-working, innovative, and results-driven professional.
- Proven experience in presentations, strategic planning and organizing, critical thinking and problem-solving, delegating, team work, influencing and leading.

My enclosed resume further details my professional career, spanning over 10 years of achieving progressive levels of responsibility. I am confident that you will find my background and level of commitment form a strong partnership with your requirements. I welcome the opportunity to discuss with you further how my qualifications can meet the needs of your company.

Thank you for your time and consideration. I look forward to speaking with you.

Sincerely,

Karen Brummett
865-789-7375

Do you currently serve on any other City board, commission or committee?

Education, Professional and or Community Activity

I am a graduate of the Leadership Oak Ridge program (class of 2013). I'm currently the treasurer for the Arts Council of Oak Ridge, on which I've served for three years.

Explain why you are interested in being appointed to this board, commission or committee

The Recreation and Parks Department is responsible for a spectrum of facilities and activities that help put Oak Ridge in the broader public eye. These activities translate directly into income for the City, through increased numbers of "heads in beds," spending at restaurants and stores, and any fees paid for the use of facilities. They also serve as an advertisement for the quality of living available here in Oak Ridge, helping to draw in new residents particularly from the stream of visiting workers at ORNL, Y-12, and ETPP. These all help increase the tax base for the City, which allows more programs, better school funding, and basic improvements to the quality of life for people in and around Oak Ridge.

Do you currently serve on any other City board, commission or committee?

Recreation and Parks Advisory Board

Education, Professional and or Community Activity

Master of Science in Electrical Engineering from Tennessee Technological University
Accelerator Systems Group Leader, Physics Division, Oak Ridge National Laboratory
Co-Chair, ORNL Electrical Safety Committee
Member, ORNL Engineering Council
Graduate of Leadership Oak Ridge 2008
Graduate of East Tennessee Regional Leadership 2009
Chairman, City of Oak Ridge Recreation and Parks Advisory Board
Co-Chair, International Friendship Bell Advisory Committee
Long Range Planning and Nominating Committees, First Baptist Church Knoxville

Explain why you are interested in being appointed to this board, commission or committee

I believe that we have made tremendous progress on the Recreation and Parks Board in the past two years. In particular, we have developed a robust long range capital planning process that serves as the foundation of the Department's CIP budget request. The Board has formal responsibility for the International Friendship Bell pavilion project and tremendous progress has been made. We have supported the development of new trails including the recent Sinkhole Trail. A new Community Donations Brochure and process has been developed for making contributions. In addition, there are many other on-going activities.

I would greatly appreciate the opportunity to continue to strengthen the Board in support of the City of Oak Ridge Recreation and Parks Department and programs. Thank you for your consideration!

Describe any special knowledge or past experience qualifying you for this appointment?

I am completing a three-year term on the Recreation and Parks Advisory Board, serving as Chairman for the past two years, and have become well-versed in all aspects of the City's Recreation and Parks Department.

Y

Do you currently serve on any other City board, commission or committee?

No

Education, Professional and or Community Activity

I have a college degree in Dental Hygiene and am currently a Registered Dental Hygienist. Although retired, I enjoy filling in for dental offices on occasion. I am active at Kerns Methodist Church and a frequent user of Oak Ridge Senior Center. I have attended the Senior Advisory Board Meetings for the previous year.

Explain why you are interested in being appointed to this board, commission or committee

I have always been an active member of the community. In the past, I have been involved with Boy Scouts, Girl Scouts, athletic teams, church activities, and Dental Professional Organizations. Now that I have retired, I have focused my energy on helping the senior community with services, transportation, and entertainment. I would love to be an active member of the Advisory Board to continue the support for our existing programs and to help expand new programs and activities. In addition, I would like to help brainstorm ideas for the relocation of our center before the current lease expires in December 2017. I have the time, energy, and desire to contribute to our senior center in these ways and many more.

Describe any special knowledge or past experience qualifying you for this appointment?

My husband has served on many boards in the past and present since he has lived here all his life. Due to that fact, I have many contacts and avenues for information. I feel that would help me with helping recruit instructors for new and existing activities. I have been instrumental in developing a nonprofit organization to visit nursing homes to provide dental care for seniors who can no longer visit their dentist. I have a love and appreciation for seniors and would love to serve them as they have served our community for many years.

Round: 1

SAMPLE

Inaugural Board of
Directors for the
501(c)(3) for the
Secret City
Festival/Celebration

November 5, 2015

Members of the Oak Ridge City Council,

I am interested in serving my hometown, The City of Oak Ridge, by becoming a member of the newly formed inaugural Board of Directors of the Secret City Festival/Celebration. I will bring to the board a variety of skills and experiences and lots of energy!

I have been a member of the Oak Ridge community since moving to the area in June of 1980. Over the years, I have been involved at the Oak Ridge Playhouse, taught at Clinton High School and Oak Ridge High School and am currently teaching Drama/Theatre Arts at Webb School of Knoxville. I was a Committee Chairperson for 8 years with the Fantasy of Trees, leaving that position due to a move out of the country. Our family lived in Moscow, Russia for 6 years from 1998- 2003. During that time, I taught at the Anglo-American School of Moscow, directed 8 plays and coordinated three International Theatre Festivals, bringing together over 1500 students from Eastern European international schools. Upon returning to the USA, we knew we wanted to continue living in Oak Ridge. I began teaching at Webb School of Knoxville. In addition to teaching, I direct the Middle School play and am coordinator of Webb's Exchange program with The Escuela Americana in San Salvador, El Salvador.

My husband, Randy, and I then had the opportunity to move and work in Vienna, Austria in 2007. Since 2012, we have been back in Oak Ridge and plan to live and retire here. Even with our travels and living abroad, we have made an effort to return home for the annual festival. I am excited about the opportunity to be involved with members of the community to develop the future of the Secret City Festival/Celebration.

I will bring to the Board my sense of commitment to a project, from the idea inception to the planning to the financing to the final details of the event. I am comfortable being a worker-bee and taking a leadership role. I bring my international experiences and my passion for working with people of all ages.

The Secret City Festival is good for Oak Ridge. My hope is that I might be a part of preserving the event while finding ways to improve and support the festival. I'd like to do my part to ensure that the tradition of the Secret City Festival may continue to celebrate the rich history and exciting future of Oak Ridge.

Respectfully submitted,

Cynthia Beatty

Secret City Festival
City of Oak Ridge
200 South Tulane Avenue
Oak Ridge, TN 37830

Dear Secret City Festival:

I am writing in response to your press release on the City of Oak Ridge website for the Secret City Board Position. I am confident that my skills and my passion for technology are a perfect match for this position.

I would bring to your company a broad range of skills, including:

- Past non-profit board experience
- Past festivals experience
- Insurance training and background/risk management

I would welcome the opportunity to further discuss this position with you. If you have questions or would like to schedule an interview, please contact me by phone at 865-244-0905 or by email at donh@wkia.com. I have also attached my resume for your review, and I look forward to hearing from you.

Sincerely,

Don Hughes

18 September 2015

Mark Watson
City Manager,
City of Oak Ridge
PO Box 1
Oak Ridge, TN 37830

Good afternoon, Mark:

I've been following the discussions regarding the Oak Ridge sponsorship programs, corporate sponsorships and the possibility of forming a new 501(c) 3 group to oversee development and growth. I'd like to arrange a day and time to speak with you about this.

Over several years I've been interested in the CVB and activities in Oak Ridge, and have applied with no success to their board of directors. I've had some brief email and phone discussions with Trina Baughn and Chuck Hope with regard to the CVB, their goals and strategies (I'm sending each one a copy of this note.) I have to say I've often thought the "Secret City" festival couldn't survive as a single entity and with reduced corporate funding, this surely seems to be the case.

Funding for events is being reduced across all of your sponsors. The way forward for Oak Ridge is to consolidate events, with the goal that the new group becomes self-sustaining. The City Council (and you) are keenly aware of this. The key to this is corporate funding and sponsorships that cover the *overall* program of events and not a series of independent activities in the city.

I have specific and relevant experience in media, sponsorship and event sales, with extensive knowledge and global contacts. Current relationships with destinations, airlines, suppliers and consortia here in the US and Internationally. I have proven success delivering results across the global travel and event industry. Throughout my career I've had many opportunities to develop specific sales skills that include:

1. Exceeding sales targets
2. Extensive sponsorship, event and media sales
3. Creative and compelling sales actions
4. Superior communications, networking and follow up
5. Delivering results

I look forward to discussing this with you, soon.

Cordially,

Bill Lawrence
Summary of Experience
Phone: (865) 425-2908 - Email: bill@globalwhiz.com

Director of Sales, Faith Travel Association – July 2014 to June 2015

Generated \$70,000 in sponsorship sales in 5 months. Responsible for all corporate, travel agent, tour operator, hotel, destination, airline, consortia and travel supplier sales coverage involving:

- Targeted sales calls
- Print and digital ad sales
- Sponsorship, event and conference sales
- Effective sales proposals and presentations
- Membership and e-marketing sales

Director of Sales, Travel Market Report – June 2013 to July 2014

Leadership of online and print sales effort from accounts across the hotel, hospitality and travel industry. Sales results from a wide variety of travel industry partners including hotels, cruise lines, tour operators, travel agency consortia airlines and destinations.

Director-Hotel Partner Solutions - CCRA Travel Solutions, 6 years, 2 months

Sales results from hotels and resorts in all locations participating in CCRA's global hotel program. Successfully sold marketing programs to hotel brands, regional and local operators in the United States and International locations. I generated \$1.4 million in sales in last year, a 12% increase year-over-year. I have increased travel agent business from all markets, including leisure, corporate and group.

- Distribution of preferred hotel rates to all four GDS
- Implementation of hotel marketing programs for travel agents
- Sales of web-based hotel marketing programs and packages
- Webinar content and presentations
- Networking and global trade shows and events

Summary of Prior Hotel and Hospitality Experience: US and International

Progressively responsible senior level hotel, travel and hospitality sales with an emphasis on new business development. Additional experience includes print, sponsorship and event sales for ACTE (501 (c) 3); generated \$2.5 million in new revenue over 15-month period. I've planned and executed hotel sales and marketing programs, promotions and activities at every level. I served on ASTA's Allied Marketing Committee for 3 years, and generated more than \$2.7 million sales for ASTA's travel agent publication.

Hotel sales and marketing development, based in New York, Hong Kong, Bangkok and San Francisco. Built business from travel agencies, corporate, group travel, incentive and meetings market for international and US hotel properties.

To: Oak Ridge City Council
Re: Secret City Festival Board

Please accept this letter as my letter of interest in a position on the Inaugural Secret City Board.

Emilee

December 1, 2015

City of Oak Ridge City Council
Oak Ridge, TN 37830

Re: Letter of Interest – Inaugural Secret City Festival Board

Dear Sirs/Madams:

I am submitting my Letter of Interest with regards to obtaining a position on the Inaugural Secret City Festival Board.

I have been the primary Event Coordinator for Oak Ridge Neighborhood Watch Program's National Night Out and Party in the Park for the last 3 of 4 years. I feel that my experience in planning and coordinating this important community event, coupled with my past proposal management and technical coordinator experience while working for a DOE subcontractor presents me as a very strong candidate for this position.

Please consider my resume and this letter as a sincere intent of interest. I would greatly appreciate the opportunity to meet with you and discuss this important opportunity. I look forward to hearing from you.

Sincerely,

Emilee Smith

(573) 382-1218 | johndwardstone@gmail.com

November 1, 2015

Dear Oak Ridge City Council Members:

I am interested in serving on the Inaugural Board of Directors for implementing the Secret City Festival/Celebration because I am committed to assisting the annual festival as it transitions its theme towards a celebration of Veterans Day that promotes the history, arts, science and culture of the City of Oak Ridge. I have resided in Oak Ridge since 2011 and greatly wish to help the city to plan and promote the Secret City Festival.

After high school, I joined the United States Marine Corps before beginning training as a Reconnaissance Marine. As I completed successive military courses and deployed overseas I advanced to the rank of Sergeant, and developed leadership skills to manage small teams in military operations as a team leader. During foreign assignments, I displayed the necessary interpersonal and communications skills to cross-train foreign military personnel and interact with the general populace when I was off-duty in foreign countries.

Following an honorable discharge from the Marine Corps, I worked for the State Department as a Personal Security Specialist in Iraq under the Worldwide Personal Protective Services program from 2006–2011. I acted as a team member in support of the Provincial Reconstruction Teams and as head of Personal Security at the Regional Embassy in Basrah, working as a liaison between security personnel, the Diplomatic Security Special Agents and Embassy staff. With my team, I effectively planned routes, prepared gear and equipment and provided protective services for State Department officials and world leaders, including US Ambassadors, the Vice President of the United States and the Prime Ministers of Japan and Italy.

I left the WPPS program in 2011 to pursue my education at the University of Tennessee-Knoxville, where I am in my final semester of a bachelors degree in History and minor in Geography. My professional interests are focused on political geography and understanding the local and cultural context of a region to explain conflicts and provide comprehensive security analyses. I also have an interest in the application of GIS and mapping technologies to better track and manage projects. In addition, I completed two years of intensive German language course work while at UT and a gained a greater appreciation for diverse cultural perspectives.

I also volunteer as a match director and board member for the Oak Ridge Sportsmen's Association. I maintain detailed recordkeeping to include finances, shooter evaluations and rosters; instruct on new shooter training and orientation; ensure range safety and adherence to rules; and provide logistical support for our for-charity matches.

Sincerely,

John E. Stone

OBJECTIVE STATEMENT

To obtain a position on the Inaugural Board of Directors for implementing the Secret City Festival/Celebration

SKILLS AND EXPERTISE

Small Team Leadership; Customer Service; Communications; Instruction and Safety; Mission Planning; Testing and Evaluation

PROFESSIONAL EXPERIENCE

Personal Security Specialist, Triple Canopy (Department of State Contractor), Iraq (December 2006–July 2012, 50 hours per week)

- Provided protective security services to Department of State officials and VIPs, including US Ambassadors, the Vice President of the United States, and the Prime Ministers of Japan and Italy, in high-threat areas.
- Served as tactical commander for advance operations by conducting site surveys to analyze physical environments and interview site POC's for security and tactical requirements.
- Planned routes for motorcade movements and coordinated activities with local and government authorities.
- Supervised up to 20 team members, including responsibilities for operational accountability, safety and pre-mission briefings, training exercises, and required paperwork such as weekly time sheets and training logs.

Reconnaissance Marine (Sergeant), US Marine Corps (1997–2002, 40+ hours per week)

- Provided strategic reconnaissance and surveillance to support Marine Corps operations via missions in diverse climates and environmental conditions, requiring extensive use of sensitive equipment.
- Tasked with the proper maintenance, employment, and security of communications equipment and encryption devices for use in a wide variety of missions and overseas deployments for 24-man platoon.
- Conducted live-fire exercises with an emphasis on small team management and maneuvers during live fire.

OTHER RELEVANT EXPERIENCE

Range Officer, Match Director and Board Member, Oak Ridge Sportsmen Association, TN (November 2012–present, 10 hours per week)

- Oversee range safety and briefings for 40–100 participants and ensure adherence to posted procedures.
- Set up matches with range equipment according to specifications outlined by US Practical Shooting Association.
- Collect entry fees, manage annual budget of \$6,000, and complete registration paperwork.
- Train scorers on scoring guidelines and use of technology for score keeping records.
- Meet with Board members to coordinate upcoming events, budgets and report match attendance.
- Detailed recordkeeping of monthly finances, income, evaluations and rosters.

Wrestling Coach, Cape Central Junior High School, Cape Girardeau, MO (November 2003–November 2005, 25 hours per week)

- Supervised junior high wrestling team of 25 student athletes as lead on instruction and performance feedback.
- Issued sports equipment, managed team budget, and communicated directly to athletic director.
- Served as point-of-contact for all travel, match set up, and schedule planning with other school districts.
